

CURRICULUM VITAE

Fatai Adewale FEHINTOLA MBBS (Ib), MSc (Pharmacol. & Therap.), FMCP (Clinical Pharmacology)

Faculty of Basic Clinical Sciences

College of Medicine

University of Ibadan

Email: fehintolaf@com.ui.edu.ng OR fentolamine@yahoo.com

Tel: +234-806 425 1270

Biodata

- Name Fatai Adewale FEHINTOLA
- State of Origin Oyo
- Senatorial District Oyo South
- Local Government Area Ibadan Southwest
- Work address Room G62, O. O. Akinkugbe (Clinical Sciences) Building,
Department of Clinical Pharmacology, UCH
Ibadan, Nigeria
- Home address: Plot 4, Block H, Stage 6, Ajoda New Town, Off-Ibadan-Ife
Expressway, Egbeda LGA, Ibadan
- Telephone +234-806 425 1270
- E-mails fehintola@com.ui.edu.ng; fentolamine@yahoo.com

Summary of Academic, Professional, Research Activities

- I am a Consultant Physician-Clinical Pharmacologist and Professor of Pharmacology & Therapeutics, and marked my professorial inauguration with a lecture titled: “*Good for Goose; Grave for Gander: Selective Toxicity in the Service of Man*”
- I have served and continue to serve University of Ibadan and University College Hospital in various Committees
- I hold a Diploma in Management and I have attended several courses in Leadership and Management
- I served as the Pioneer Medical Director, Otunba Tunwase National Pediatric Centre, and Head, Department of Clinical Pharmacology, University College Hospital, Ibadan (February 2016 – February 2019)

- Head, Department of Pharmacology & Therapeutics, College of Medicine, University of Ibadan (August 2019 – July 2023)
- I served as member of the Technical Expert Group of the United Nations Office on Drugs and Crimes (UNODC)-Federal Government of Nigeria (FGN) Project for the Review of Curriculum of Medical, Pharmacy and Nursing Schools on the Rational Use of Controlled Medicines
- I delivered the 2013 Annual Faculty Day and All Fellows Meeting Lecture of the Faculty of Internal Medicine, National Postgraduate Medical College of Nigeria, Lagos, 16 November 2013; titled: “The Ethics of Drug Trials and Promotion”
- I was privileged to lead the Chief Medical Director’s appointed team of Evaluators of Exhibitions during the 60th Anniversary of the establishment of UCH in November 2017
- I played a pivotal role in the establishment of Pharmacovigilance Committee in UCH, and I served as the Foundation *de facto* Chairman, from September 2004 - August 2008
- I am the University of Ibadan Liaison Officer, Memorandum of Understanding on Students and Faculty Exchange Program between University of Ibadan and SUNY-B, USA
- I have Research Collaborators in Nigeria, in Asia and in the United States, and I am Research Scientist, Center for Integrated Global Biomedical Sciences, University at Buffalo, State University of New York, USA
- I have more than eighty (80) scholarly publications in peer review journals
- I have supervised and/or examined, even served as Chairman of, more than a dozen PhD/MD, and scores of MSc, Candidates
- I have been providing mentorship to some professional and academic colleagues within and outside University of Ibadan/University College Hospital, Ibadan since well over a decade
- I have conducted few funded projects including studies on ART/ACT drug-drug interactions; Co-trimoxazole plus artesunate in the treatment of acute uncomplicated falciparum malaria, etc. I am currently focused on pharmacoepidemiology; antimicrobial drug interactions
- I have attended many significant local and international courses, conferences, and workshops; served as Chairman of Scientific Sessions on few occasions

Qualifications

- Diploma in Management (UK), April 2018
- Fellowship of the Medical College in Physic (Clin. Pharmacol.), June 2000
- Master of Science (Pharmacology & Therapeutics), June 1999
- Bachelor of Medicine; Bachelor of Surgery (Ibadan), November 1989

Designation, Academic, Professionals Experience and Positions

- Professor and Consultant Physician/Clinical Pharmacologist
- **Dean**, Faculty of Basic Clinical Sciences, August 2023 to date
- **Head**, Department of Pharmacology & Therapeutics, College of Medicine, University of Ibadan, 01 August 2019 – 31 July 2023
- **Professor**, Department of Pharmacology & Therapeutics, University of Ibadan, Ibadan, Nigeria. October 1, 2011
- **Consultant**, Department of Clinical Pharmacology, University College Hospital, Ibadan, Nigeria June 2001 to date
- **Head**, Department of Clinical Pharmacology, University College Hospital, Ibadan, February 2016 – February 2019
- **Medical Director**, the University of Ibadan Medical School Otunba Tunwase National Pediatric Centre (OTNPC), Ijebu-Ode, Nigeria. December 01, 2012 – July 31, 2014
- **Senior Lecturer**, Department of Pharmacology and Therapeutics, University of Ibadan, Ibadan, Nigeria. October 1, 2003 to September 30, 2011
- **Lecturer I**, Department of Pharmacology and Therapeutics, College of Medicine, University of Ibadan, Ibadan (March 01, 2001 – September 30 2003).
- **Consultant Physician**, Federal Medical Centre, Ido-Ekiti, Ekiti State (November 2000 – February 2001)
- **Lecturer I** (Temporary appointment), Department of Pharmacology and Therapeutics, College of Medicine, University of Ibadan, Ibadan (June - December 1999).
- **Senior Registrar**, Department of Clinical Pharmacology, University College Hospital, Ibadan (November 1996 – February 1999)

- **Registrar**, Department of Medicine, University College Hospital, Ibadan (February 1993 – June 1996)
- **Registrar/Senior House Officer**, Department of Clinical Pharmacology, University College Hospital, Ibadan (August 1992 – January 1993)

Professional and Further Training

1. March-May 2009, Short term training in HIV Pharmacology at the State University of New York at Buffalo, Buffalo, NY, USA
2. August-October 2008. Short term training in Pharmacogenomics, Jawaharlal Institute for postgraduate Medical Education & Research [JIPMER], Pondicherry, India
3. February 2007, Workshop on Strategic Planning organized by Malaria Clinical Trial Alliance organized, Ho, Ghana
4. July 2006, Workshop on Good Clinical Practice organized by the Vienna School of Clinical Research, Lambarene, Gabon.
5. January 2006, Workshop on Promotion of Rational Drug Use in the Community organized by the Indian Institute of Health Management Research (IIHMR), Jaipur, India January
6. September – November 2002, Malaria Training Program, Institute of Parasitic Diseases, Chinese Center for Disease Prevention, Shanghai, China.
7. Senior Registrar, Department of Clinical Pharmacology, University College Hospital, Ibadan (November 1996-January 1999).
8. Registrar, Department of Medicine & Department of Clinical Pharmacology, University College Hospital, Ibadan (August 1993-October 1996).
9. Senior House Officer, Department of Medicine & Department of Clinical Pharmacology, University College Hospital, Ibadan (August 1992-July 1993).
10. Medical Officer, National Youth Service Corps, Health Services Management Board, (Old) Sokoto State (April 1991-March 1992).
11. Intern, Obafemi Awolowo University Teaching Hospital Complex, Ile-Ife (January-December 1990).

Membership of Professional Societies

Nigerian Medical Association

Medical and Dental Consultants' Association of Nigeria

West African Society for Pharmacology

Center for Integrated Global Biomedical Sciences, SUNY-B, New York, USA

Teaching Experience at University Level

MBBS/BDS

I have been involved in the teaching of the MBBS/BDS students for more than six years at their various levels of their programme, that is, Introductory, Block I and Block II postings. Some of the lecture topics include: Autacoids, Antihypertensive drugs, Pharmacology of Asthma, Peptic Ulcer Disease, Anti-histamine drugs, Analgesics, Chemotherapy, Drug Interactions and Adverse Drug Reactions.

B. Pharm

I have been involved in the teaching of Pharmacology Courses at the 300, 400 and 500 Levels for the Pharmacy students since 1999. Courses taught include: Autacoids and Inflammation, Autonomic Pharmacology, Anti-inflammatory drugs, Antihistaminic drugs, Drug metabolism and drug interactions.

Other lectures (B. Nursing Science. and B. Physio)

The Pharmacology lectures for Physiotherapy and Nursing students is also undertaken by our Department and I have duly involved in the teaching of these health professionals and topics include: chemotherapy of infections, drug treatment of hypertension and asthma as well as antiseptic drugs.

Research and Training Supervision

I have been actively involved in the supervision of projects/research at both undergraduate and postgraduate levels.

Postgraduate Research and Training Supervision

I have co-supervised/trained and currently co-supervising/training many candidates for postgraduate academic and/or professional dissertation/thesis since 2005 to date:

MSc Candidates' Supervision/Training

Notable MSc Degree Dissertation supervised by me include the under-listed:

1. A. O. Ajala, 2005 - Interaction between Anti-Hypertensive and Non-Steroidal Anti-Inflammatory Drugs: Implication in Management of Osteoarthritis and Opinion on a Compromise Therapy. Department of Physiotherapy, Faculty of Clinical Sciences
2. Yusuf Usman, 2016 - Antipsychotic effect of ethanol extract of *Blighia sapida* stem bark on pharmacological models of psychosis in Swiss mice. Department of Pharmacology & Therapeutics, Faculty of Basic Medical Sciences, College of Medicine, University of Ibadan
3. Cecilia Okunlola, 2018 - Assessment of adherence to Intermittent Preventive Treatment with Sulphadoxine-pyrimethamine (IPTp- SP) in a selected population of Nigerian Pregnant women. Department of Pharmacology & Therapeutics, Faculty of Basic Medical Sciences.
4. L. O. Ogunjinmi, 2018 - Comparison of hormonal and cognitive effect carbamazepine monotherapy and Levetiracetam monotherapy on adult females with epilepsy. Department of Pharmacology and Therapeutics, Faculty of Basic Medical Sciences, College of Medicine, University of Ibadan.
5. W. A. Adedeji, 2014 - Pattern of antimicrobial prescription and adverse drug reactions reporting among doctors in the Oyo State public health facilities. Department of Pharmacology & Therapeutics, Faculty of Basic Medical Sciences, College of Medicine.
6. D. A. Adebayo, 2022 – Assessment of Adherence to Intermittent Preventive Treatment in Pregnancy with Sulphadoxine-pyrimethamine using Lignin Test. Department of Pharmacology Therapeutics, Faculty of Basic Medical Sciences
7. Taiwo Omotoso, 2023 – Concomittant use of antituberculosis drugs and other antimicrobial drugs among tuberculosis patients in two selected hospitals in Ibadan. Department of Pharmacology & Therapeutics, Faculty of Basic Medical Sciences

8. Oluwatonilola Akinbami, 2023 – Concomittant use of Anti-hypertensive drugs and antituberculosis drugs the University College Hospital and Jericho Specialist hospital, Ibadan. Department of Pharmacology & Therapeutics, Faculty of Basic Medical Sciences

MD/PhD Theses/Dissertations

I supervised/co-supervised the following MD/PhD Candidates

- S. T. Balogun, PhD (University of Maiduguri, June 2014)

Title: Assessment of Antimalarial susceptibility of Plasmodium falciparum isolates to selected antimalarial drugs in Maiduguri, Norstheast, Nigeria

- L.O. Ogunjimi, MD (University of Ibadan, September 2023)

Title: Evaluation of beneficial effects of Levetiracetam and Carbamazepine in Post-Stroke Epilepsy

Postgraduate Medical Fellowship Training/Supervision

I contributed substantially to the fellowship training/supervision of the following Candidates (Fellows):

- Obaro S. Michael

Title: Adverse Drug Reactions in Patients with and without HIV/AIDS on Treatment for Tuberculosis at the University College Hospital Ibadan, Nigeria. [NPMCN, 2009]

- Dr Emmanuel Tunde OSINUGA

- i. *Title: Cross-sectional survey of Malaria Parasitaemia amongst Pregnant Women attending Antenatal Booking Clinic at Adeoyo Maternity Hospital, Ibadan, Nigeria [WACS, 2011]*
- ii. *Title: Prevalence of Malaria parasitaemia among pregnant Women attending Antenatal Clinic at University College Hospital, Ibadan [NPMCN, 2011]*

➤ Dr Adeola R. ABDUS-SALAM

Title: A Comparative Study of Azithromycin and Sulphadoxine-Pyrimethamine as Prophylaxis against Malaria in Pregnancy [NPMCN, 2013]

➤ Dr Waheed A. Adedeji

Title: Evaluation of CYP2D6 Phenotype in the Yoruba-Nigerian Population [National Postgraduate Medical College of Nigeria, NPMCN, November 2016]

MD/PhD Examinations

I served as Examiner and/or Chairman during the defence of the MD/PhD Degree Theses of the under-listed Candidates:

1. Sulayman Tunde BALOGUN, *PhD*, University of Maiduguri, June 2014
2. Mathew Olugbenga AJULO, *PhD*, Faculty of Pharmacy, 2015
3. Emmanuel Olagboye TAIWO, *MD*, Faculty of Clinical Sciences, April 2016
4. Segun Johnson SHOWANDE, *PhD*, Faculty of Pharmacy, February 2017
5. Oritoke Modupe ALUKO, *PhD*, Faculty of Basic Medical Sciences, March 2020
6. Itievere Adrian OMOGBIYA, *PhD*, Faculty of Basic Medical Sciences, January 2021
7. Akinyinka Oladapo ALABI, *PhD*, Faculty of Basic Medical Sciences, March 2021
8. Rasidat Olufunke TIJANI, *PhD*, Faculty of Basic Medical Sciences, March 2021
9. Ayaebi Okubo ENENI, *PhD*, Faculty of Basic Medical Sciences, March 2021
10. Gladys Onyinye AGU, *PhD*, Faculty of Basic Medical Sciences, July 2021
11. Oluwakemi Omolade ARIYO, *PhD*, Faculty of Basic Medical Sciences, July 2021
12. Abimbola Sadiat OLUGBEMIDE, *PhD*, Faculty of Basic Medical Sciences, Nov. 2021
13. Jeremiah John OLOCHE, *PhD*, Faculty of Basic Medical Sciences, November 2021
14. Akinniyi Akinbiyi AJE, *PhD*, Faculty of Pharmacy, February 2022

15. Luqman Opeyemi OGUNJIMI, MD, Faculty of Basic Medical Sciences, Sep. 2023

Fellowship Examinations (Examiner/Chairman) – National Postgraduate Medical College of Nigeria (NPMCN)

I served on the team of examiners and/or as Chairman during the fellowship examinations in Internal Medicine/Clinical Pharmacology & Therapeutics (CPT) for the following Candidates (Fellows):

- Adedayo F. Asalu, FMCP, May 2006 - NPMCN
- Peter E. Akhideno, FMCP (CPT), May 2011 - NPMCN
- Nwani Paul Osemeke, FMCP (CPT), May 2011 – NPMCN
- Abimbola OLOWOFELA, FMCP (CPT) November 2011 - NPMCN
- Stephen A. Ayinbuomwan, FMCP (CPT), November 2011 - NPMCN
- Joseph Ogirima OVOSI, FMCP (CPT), November 2014 - NPMCN
- Waheed A. Adedeji, FMCP (CPT), November 2016 - NPMCN
- Oluwafunmibi Enitan Anjorin, FMCP (CPT), 2019 - NPMCN
- Olaleken Agede, FMCP (CPT), 2019 - NPMCN

Undergraduate supervision

B. Pharm.

I supervised more than a dozen B. Pharm Projects.

Honours, Distinctions Awards

Chairman , Subspecialty, CPT, Faculty of Internal Medicine, National Postgraduate Medical College of Nigeria (NPMCN)	Nov. 2015 – Nov. 2019
Member , University of Ibadan Senate	Oct. 2011 to date
Fellow , Medical College in Physic (FMCP)	2000 to date
Member , Nigerian Medical Association:	1990 to date
Member , Medical and Dental Consultants' Association of Nigeria:	2000 to date
Member , West African Society for Pharmacology	2001 to date
Associate Editor , African Journal of Medicine and Medical Sciences	2007 - 2017
External Examiner , Obafemi Awolowo University, Ile-Ife	2017 to date
External Examiner in Pharmacology , University of Maiduguri	2006 – 2008 & 2016 - 2018
External Examiner in Pharmacology, Ladoke Akintola University of Technology (LAUTECH)	2007 – 2008; 2012 - 2018 2021 to date
External Examiner , Babcock University, Ilisan-Remo	2019 - 2022
Guest Lecturer , Annual Faculty Day and All Fellows Meeting of the Faculty of Internal Medicine, National Postgraduate Medical College of Nigeria (NPMCN), Lagos	November 2013 2014 to date
External Examiner (& Assessor) , University of Lagos	
Examiner , Faculty of Internal Medicine, National Postgraduate Medical College of Nigeria	2008 to date Sept.–Nov. 2002
Visiting Scholar , Institute of Parasitic Diseases, Chinese Center for Disease Prevention, Shanghai, China.	Aug.–Oct. 2008
Visiting Scholar , Jawaharlal Institute for Postgraduate Medical Education and Research (JIPMER), Pondicherry, India.	Mar.– May 2009
Visiting Scholar , Northwestern University, Chicago, IL. USA	Apr – May 2009
Visiting Scholar , State University of New York at Buffalo SUNY-B, NY. USA	
Liaison Officer , Memorandum of Understanding on Students and	2009 to date

Faculty Exchange Program between University of Ibadan and SUNY(B), USA	Apr. 2012 to July 2018
Member , Senate Truth Committee	2002 to date
Resource person , National Postgraduate Medical College	2002 to date
Resource Person , West African College of Physicians	2002 to date
Resource Person , West African College of Surgeons	

Other Notable Administrative and Community Services

- **Coordinator**, MBBS/BDS programs, Department of Pharmacology & Therapeutics, College of Medicine, University of Ibadan. 2004 - 2012
- **Member**, Faculty of Basic Medical Sciences Finance Committee August 2006 to July 2010
- **Provision of free malaria screening service**
In February 2008, my request for permission to establish a malaria screening facility at the Aremo Maternity Centre, Aremo, Ibadan was granted by the Oyo State Ministry of Health. Subsequently, pregnant women and indeed, all patients were provided malaria screening and hematocrit determination **free of charge**. The self-funded facility was only closed-out about five years later following the establishment of a Medical Laboratory Services by the Oyo State Government at the Maternity Centre.
- **Chairman**, Constitution Drafting Committee, University College Hospital, Ibadan Muslim Community May 2009
- **Member**, University College Hospital, Ibadan Muslim Community Governing Council 2008 to date
- **Member**, Governing Board, University of Ibadan Muslim Community 2010 to date

- **Member**, The University of Ibadan Senate Curriculum Committee Aug. 2014 to Jul. 2018
- **President**, Old Students' Association of Anglican Grammar School, Ojebode, Ibadan, November 2011 – November 2015. The Association was founded in October 2010 with the primary aim of revamping our *alma mater*. The Association has been supporting the School and Oyo State Government's efforts aimed at improving education in the State. Scholarship awards, provision of textbooks and exercise books, renovation of buildings are some of the activities that the Association has carried out since its inception in 2010.
- **Chairman**, Subspecialty of Clinical Pharmacology & Therapeutics (CPT), Faculty of Internal Medicine, National Postgraduate Medical College of Nigeria, November 2015 to November 2019
- **Member**, MBBS curriculum review committee
- **Member**, Implementation Committee on the revised MBBS curriculum
- **Member** and (foundation) *de facto* Chairman, Pharmacovigilance Committee, University College Hospital (UCH) 2004 – to date
- **Member**, UCH *ad Hoc* committee on the repositioning of Pharmacy Department, UCH
- **Consultant/Adviser**, World Health Organization, (WHO), Artesunate Data Analysis, WHO/HQ Geneva, Switzerland. November 5 & 6, 1997
- **Consultant/National Trainer**, Malaria Action Program for States (MAPS), A USAID-PMI (President Malaria Initiative) funded Malaria Control Program aimed at reducing the burden of malaria in Nigeria
- **Member**, Technical Expert Group of the United Nations Office on Drugs and Crimes (UNODC)-Federal Government of Nigeria (FGN) Project for the Review of Curriculum

of Medical, Pharmacy and Nursing Schools on the Rational Use of Controlled Medicines,
April 2018 – May 2019

Major Conferences and Workshops

- 8th Unibadan Conference of Biomedical Research, Ibadan, Nigeria, 11- 15 September 2023
- 7th Unibadan Conference of Biomedical Research, Ibadan, Nigeria, September, 2021
- The United Nations Office on Drugs and Crimes (UNODC)-Federal Government of Nigeria (FGN)-Organized Workshop on the Review of curriculum of Medical, Pharmacy and Nursing Schools on the Rational Use of Controlled Medicines, Lagos, May 2019

- 13th Annual Scientific Conference and All Fellows (ASCAF) Congress of the National Postgraduate Medical College of Nigeria, Owerri, August 2018
- The United Nations Office on Drugs and Crimes (UNODC)-Federal Government of Nigeria (FGN)-Organized Workshop on the Review of curriculum of Medical, Pharmacy and Nursing Schools on the Rational Use of Controlled Medicines, Lagos, June 2018
- Leadership and People Management for New and Aspiring Managers, International School of Management, Lagos, Nigeria May 2018
- The United Nations Office on Drugs and Crimes (UNODC)-Federal Government of Nigeria (FGN)-Organized Workshop on the Review of curriculum of Medical, Pharmacy and Nursing Schools on the Rational Use of Controlled Medicines, Lagos, April 2018
- African Journal of Medicine & Medical Sciences-Organized Workshop on Publishing Scholarly Articles, Ibadan, July 2017
- The National Postgraduate Medical College of Nigeria (NPMCN)-organized Workshop on Training the Trainers, Ibadan, August 2016
- 17th World Congress of Basic & Clinical Pharmacology, Cape Town, South Africa 13-17 July 2014
- 4th Unibadan Conference of Biomedical Research, Ibadan, Nigeria, 1-4 July 2014
- USAID-MAPS-organized Workshop on Training the Trainers on Malaria Case Management, Eket, Akwa-Ibom State, May 2014
- The 2013 Annual Faculty Day and All Fellows Meeting of the Faculty of Internal Medicine, National Postgraduate Medical College of Nigeria, Lagos, November 2013
- Sensitization Meeting with Healthcare Professionals on Case Management of Malaria, Ibadan, March 2013

- Trial Steering Committee Meeting on STEPCARE & EXPONATE, Lagos, November 2012
- XIX International AIDS Conference, Washington DC, USA, 22-27 July 2012
- 13th International Workshop on Clinical Pharmacology of HIV, Barcelona, Spain 16-18 April 2012
- XVIII International AIDS Conference Vienna, Austria 18 - 23 July 2010
- 2nd Annual Northwestern University Fogarty AIDS International Training and Research (NU-AITRP) Symposium and Workshop, Abuja, Nigeria 5 – 6 May 2010
- Workshop on Developing ODL Learning Materials for Primary Revision Course of the West African College of Physicians, Cotonou, Republic of Benin, 15 – 18 December 2009
- MIM/TDR Malaria Research Capability Institution Strengthening Grant Proposal Development Workshop 26-30 October 2009, Nairobi, Kenya
- The 5th Pan African Malaria Conference 2-6 November 2009, Nairobi Kenya
- 49th Inter-science Conference on Antimicrobial Agents & Chemotherapy [ICAAC] San Francisco, USA 12 – 15 September 2009
- Malaria Clinical Trial Alliance organized Workshop on Strategic Planning, Ho, Ghana, 12 – 16 February 2007
- Vienna School of Clinical Research organized workshop on Good Clinical Practice, Lambarene, Gabon. 21 -22 July 2006
- Promotion of Rational Drug Use in the Community, India Institute of Health Management Research, Jaipur, India January 15-24, 2006

- National Workshop on Pharmacovigilance, organized by the National Agency for Food and Drug Administration and Control, Abuja, Nigeria September 9-11, 2004
- International Workshop: Good Clinical Practice for African Researchers, Bagamoyo, Tanzania. March 2004
- International Workshop on Good Clinical Practice for African Clinical Monitors, CNLP-Ouagadougou, Burkina Faso. October 20-25 2003.
- Training Course in Malaria, Institute of Parasitic Diseases, Chinese Center for Disease Prevention, Shanghai, China. September 16 – November 16, 2002
- West African Society for Pharmacologists Conference, University of Benin, Benin, Nigeria 2001
- Consultative Meeting: Artesunate Data Analysis, WHO/HQ Geneva, Switzerland. November 5 & 6, 1997
- Research Data Analysis: Postgraduate Institute for Medical Research and Training, University of Ibadan, Ibadan, Nigeria. October 9 - 22, 1995. Organizer/Sponsor: WHO/TDR

Professor F. A. Fehintola

Dean, Faculty of Basic Clinical Sciences

Former Head, Pharmacology & Therapeutics, University of Ibadan

Former Head, Clinical Pharmacology, University College Hospital, Ibadan
