VIII Details of Teaching/ Work Experience

● Undergraduate:

I teach undergraduate medical and dental students the principles and practice of Anaesthesia. The undergraduate courses are ANE 401, ANE 402, ANE 403, ANE 501, ANE 502, ANE 601 and ANE 602. The lecture topics include; The Anaesthesia machine, Anaesthetic Equipment, Routes of administration of General Anaesthesia, Inhalational and Intravenous anaesthesia. I supervise undergraduate projects.

● Postgraduate

I also teach postgraduate masters students in principle and practice of Anaesthesia. The postgraduate lectures are ANE 701 and ANE 702. The lecture contents are; Drugs in Anaesthesia, airway management, causes and management of an unconscious patient. The role of anaesthetists in the intensive care unit.

● Administrative

Presently, I am the acting Head of Department of Anaesthesia, I am the examination coordinator for the Department of Anaesthesia. I was involved in drafting the NUC accreditation document for the Department of Anaesthesia. I am a member of senate of the University of Ibadan.

- **Community service**

I organize a yearly workshop called masterclass in interventional pain medicine. I gave a lecture; webinar series organized by the society for the study of pain titled management of chronic back pain. I give lecture during the master class on interventional pain medicine; the role of steroid therapy in in the management of back pain. I gave lecture on awareness of COVID 19 to a group of students in the church.
