

## CURRICULUM VITAE

- I. a. NAME:** Yewande Olubunmi Babalola (nee Dada)  
**b. DEPARTMENT:** Ophthalmology  
**c. FACULTY:** Clinical Sciences

- II. a. FIRST ACADEMIC APPOINTMENT:** Lecturer 1 (14 January, 2013)  
**b. PRESENT POST:** Senior Lecturer (October 2021)  
**c. DATE OF LAST PROMOTION:** October 2021  
**d. DATE LAST CONSIDERED:** Not applicable

### III. UNIVERSITY EDUCATION WITH DATES

- a.** University of Ibadan 1993 -2000

### IV. ACADEMIC QUALIFICATIONS WITH DATES AND GRANTING BODIES

- a.** Bachelor of Medicine, Bachelor of Surgery (M.B B. S) University of Ibadan May 2000

### V. PROFESSIONAL QUALIFICATIONS AND DIPLOMAS WITH DATES

- a.** Fellowship of the West African College of Surgeons (FWACS) (October 2011)  
**b.** Fellowship of the National Postgraduate Medical College of Nigeria (FMCOPh) (November 2011)  
**c.** Clinical fellowship Vitreoretinal Surgery; Retina Foundation, Ahmedabad, India (August 2014)  
**d.** Fellowship in Retina and Vitreous, FLVPEI LV Prasad Eye Institute, Bhubaneswar, India (September 2018)

## **VI. SCHOLARSHIPS, FELLOWSHIPS AND GRANTS**

- a. NIH / Fogarty Global Health Fellowship 2023
- b. Federal Government Scholarship for the Gifted & Talented Program 1989 - 1992

## **VII. HONOURS, DISTINCTIONS AND MEMBERSHIP OF LEARNED SOCIETIES**

- a. Member of the Academic Staff union of universities (ASUU)
- b. Member, Nigeria Medical Association (NMA)
- c. Member, Medical and Dental Consultants Association of Nigeria (MDCAN)
- d. Member, Ibadan College of Medicine Alumni Association (ICOMAA)
- e. Member, Medical Women Association of Nigeria (MWAN)
- f. Member, Ophthalmological Society of Nigeria (OSN)
- g. Member, Vitreoretinal Society of Nigeria (VRSN)
- h. Member, African Retinal Society (ARS)

## **VIII. DETAILS OF TEACHING/ WORK EXPERIENCE**

### **a. Undergraduate**

- i. Tutorials and bedside teaching of undergraduate medical students 2004 till date
- ii. Ophthalmology seminars to undergraduate medical students 2004 till date
  - Medical students subspecialty posting 1 & 2 bedside teaching and clinical demonstrations
  - Outpatient clinical demonstrations
  - Operating theatre sessions

### **b. Postgraduate**

- i. Lectures in Ophthalmology for BSc Nursing students
- ii. Lectures in Ophthalmology for perioperative nursing students
- iii. Lectures for MSc Ophthalmology students
- iv. Lectures in clinical ophthalmology for revision update courses for postgraduate resident doctors

### **c. Administrative Duties**

- i. Member, Department of Ophthalmology residency training committee
- ii. Deputy coordinator, Ophthalmology undergraduate academic committee

- iii. Member, Biomedical Committee, College of Medicine, University of Ibadan

**d. Community service**

- i. Health talks on ocular health on mass media
- ii. Screening for diabetic retinopathy in patients with diabetes mellitus
- iii. Community eye screening programs
- iv. Community service and volunteer work in mission health facilities providing ease of accessibility to specialized vitreoretinal care
- v. Health education and promotion awareness as a member of the medical outreach team in place of worship

**IX. RESEARCH**

**a. Completed**

- i. Ocular status of HIV/AIDS patients seen at the PEPFAR Antiretroviral clinic, University College Hospital, Ibadan.

**b. In progress**

- i. Pattern of ocular disorders amongst diabetic patients attending a teaching hospital in Ibadan, South west, Nigeria: Diabetes mellitus is increasing in prevalence in our populace due to modernization, change in lifestyle and diet. There is an association of diabetic retinopathy other related ocular diseases in diabetics especially when the glycaemic control is poor. This research aims to assess the prevalence of these ocular disorders in correlation to systemic indices including the glycaemic level and blood pressure in diabetic patients in relation to development of diabetic eye disease and other coexisting ocular morbidities.
- ii. Laser panretinal photocoagulation in Ibadan: Laser panretinal photocoagulation is a mainstay of treatment of various retinal diseases. This research aims to assess the common indications, modes of laser application and change in visual acuity and retinal pathology of panretinal photocoagulation and modes of laser application in our populace.

**c. Project, dissertation and thesis**

**Postgraduate**

- i. Ocular status of HIV/AIDS patients attending the PEPFAR antiretroviral therapy clinic, University College Hospital, Ibadan.

## **X. PUBLICATIONS**

**a. Books already published:** Nil

**b. Chapters in books already published:**

1. **Babalola, Y.O.** (2020). Preoperative Evaluation Of Patients For Scleral Buckling Surgery. In Step By Step Scleral Buckling Surgery. Oluleye, T.S., Babalola, Y.O. , Majekodunmi, O. , Ijaduola, M. and Sarimiye, T. Bookbuilders (Eds). (Nigeria)
2. Ogun OA, **Babalola YO.** (2023). Ocular involvement in Systemic Diseases. In Essentials of Ophthalmology in the Tropics. West African College of Surgeon. Stirling- Holden Publishers Ltd (Eds). (Nigeria)

**c. Articles that have already appeared in referred conference proceedings:**

1. **Babalola YO**, Oluleye TS, Majekodunmi OI, Ijaduola MA. Pattern of presentation of macula holes in Ibadan, South-Western Nigeria. Transactions of the Ophthalmological society of Nigeria August 2021;6(1):42-43

**d. Patents & copyrights:** Nil

**e. Articles that have already appeared in learned journals**

**f. Books, Chapters in Books and articles already accepted for publication:**

**(g) Technical reports and monographs – Nil**

**XI. MAJOR CONFERENCES ATTENDED IN THE LAST 5 YEARS (WITH PAPERS READ)**

1. Ophthalmological Society of Nigeria (OSN) conference – Ocular characteristics of Retinitis Pigmentosa in Ibadan, Southwest Nigeria (August 2023)
2. African Ophthalmology Council Scientific Conference Virtual 2021 (October 2021)  
Papers presented -Valsalva Retinopathy in Ibadan, Southwest Nigeria  
West African Crystalline Maculopathy in Ibadan, Southwest Nigeria: A report of two cases.
3. EURETINA (European Society of Retinal Specialists) Conference Virtual 2021 (September 2021)
4. Medical Women Association of Nigeria 22nd Biennial Conference (September 2021)  
Paper presented – Ocular Sequelae of Tuberculosis in a female Nigerian: Unilateral Quiescent multifocal choroiditis

5. Ophthalmology Society of Nigeria Conference (OSN) 2021 Hybrid (September 2021)  
Paper presented – Pattern of presentation of patients with macula holes in Ibadan, Southwestern Nigeria.
6. West African College of Surgeons Conference WACS Virtual (June 2021)
7. Africa Retinal Society Conference virtual (June 2021)
8. Medical Women International Association Conference (Middle East & Africa) virtual (March 2021)
9. EURETINA Conference virtual (October 2020)
10. World Ophthalmology Conference Virtual (June 2020)
11. West African College of Surgeons Conference (WACS), Abuja, Nigeria (February 2020)
12. African Retinal Society conference (ARS), Accra, Ghana (April 2019)  
Paper presented – Choroidal metastasis: A myriad of presentations
