

CURRICULUM VITAE

I.

- a. **Name:** Tolulope Theresa **Bella- Awusah**
- b. **Department:** Psychiatry
- c. **Faculty:** Clinical Sciences

II **Address**

Department of Psychiatry,
University College Hospital,
Ibadan, 200212, Oyo State, Nigeria
E-mail: bellatt2002@yahoo.com
Telephone no: +234-8025905241

III. **University Education (with dates)**

- a. University of Ibadan 1992 – 1999
- b. University of Ibadan 2013 – 2014
- c. University of Warwick 2022- date

IV. **Academic Qualifications (with dates and granting bodies)**

- a. MBBS (Bachelor of Medicine, Bachelor of Surgery) 1999
- b. MSc. CAMH 2014

V. **Professional Qualifications and Diplomas (with dates)**

- a. FWACP Psychiatry 2007 West African College of Physicians

VI. **Scholarships, Fellowships and Prizes (with dates) in respect of undergraduate and postgraduate work only**

- a. Travel Fellowship to attend the 2005 World Psychiatry Association, 13th World Congress of Psychiatry, Cairo Egypt

- b. 2006 Donald J. Cohen Fellowship for International Scholars, 17th World Congress of the International Association for Child and Adolescent Psychiatry and Allied Professions Melbourne Australia
- c. 2007 IACAPAP study group scholarship award, Nairobi, Kenya
- d. 2010 World Psychiatry Association Mood Disorders Fellowship
- e. 2013 Helmut Remshmidt Research Seminar Travel Award, Stellenbosch South Africa

VII. Honours, Distinctions And Memberships of Learned Societies

- a. Member, Medical and Dental Consultants Association of Nigeria (MDCAN)
- b. Member, Academic Staff Union of Universities (ASUU)
- c. Member, Nigerian Medical Association (NMA)
- d. Member, West African College of Physicians (WACP)
- e. Corresponding Member, American Association of Child and Adolescent Psychiatrists (AACAP)
- f. Member, Association of Psychiatrists in Nigeria (APN)
- g. Member, Association of Child and Adolescent Psychiatrists and Allied Professions in Nigeria (ACAPAN)
- h. Member, African Association for Child and Adolescent Mental Health (AACAMH)

VIII. Details of Teaching/Work Experience:

a. Undergraduate:

- i. Child Psychiatry and General Psychiatry lectures to 400 Level, 500 Level & 600 Level Medical students.
- ii. Psychology lectures 300-level Medical students
- iii. Psychiatry lectures to Physiotherapy students
- iv. Examiner, final MBBS examinations in the Department of Psychiatry

b. Postgraduate:

- i. Member, Departmental Postgraduate Training Committee

- ii. Postgraduate Coordinator: MSc. Child and Adolescent Mental Health 2015 - 2020
- iii. Course Coordinator: (CMH, 703, 705, 711, 713, 721, 724] 2012 to Date Content: Child and Adolescent Mental health disorders, Psychological treatments, School Mental Health, Service Development in CAMH, Dissertation Preparation
- iv. Resource person at Part I and Part II Revision Courses of the West African Postgraduate Medical Colleges.
- v. Examiner at Primary, Part I and Part II , West African College of Physicians (WACP) Examinations
- vi. Supervision of 26 Thesis on the MSc. Child and Adolescent Mental Health programme of the University of Ibadan including: Master of Science in Child and Adolescent Mental Health (MSc CAMH) (University of Ibadan) thesis of Kamau Judy (Matric No: 182568) 2015. Title: Factors influencing pathways to child and adolescent mental health services in Kenya.
- vii. Supervision of Master of Science in Child and Adolescent Mental Health (MSc CAMH) (University of Ibadan) thesis of Addom Selasie (Matric No.183530) 2015. Title: Depression and anxiety disorders among adolescents with epilepsy in Accra, Ghana.
- viii. Supervision of Master of Science in Child and Adolescent Mental Health (MSc CAMH) (University of Ibadan) thesis of Olonisakin Bolatito (Matric No 187241) 2016. Topic : Needs Assessment for Mental Health counselling and a pilot counselling intervention for nursing students with psychological distress at the University College Hospital, Ibadan.
- ix. Supervision of Master of Science in Child and Adolescent Mental Health (MSc CAMH) (University of Ibadan) thesis of Conteh Sarah (Matric No. 197373) 2017. Title: Anxiety, depression, PTSS in adolescents residing in the Aberdeen community, Freetown in the Post-Ebola period
- x. Supervision of Master of Science in Child and Adolescent Mental Health (MSc CAMH) (University of Ibadan) thesis of Oyekunle Femi (Matric No. 204411) 2018. Title: A feasibility study on the effect of supportive counselling on the psychological wellbeing of mothers in the neonatal wards of the University College Hospital, Ibadan
- xi. Supervision of Master of Science in Child and Adolescent Mental Health (MSc CAMH) (University of Ibadan) thesis of Badjie Aida (Matric No. 211841) 2019 Title: Mental health problems among children and youth living with hearing and visual impairments in the Gambia
- xii. Supervision of Master of Science in Child and Adolescent Mental Health (MSc CAMH) (University of Ibadan) thesis of Egbegi Ruth (Matric No. 217112) 2020. Title:

Effectiveness of a Sleep Intervention Programme on Sleep Problems, Mental Health and Quality of Life among Adolescents in Bayelsa State

- xiii. Supervision of WACP dissertations of Atilola O. 2011. Title: Current and lifetime exposure to Trauma and Post Traumatic Stress among inmates of the Abeokuta Borstal Home
- xiv. Supervision of WACP dissertation of Lawal K. 2018 Title: Child maltreatment among secondary school students in Ibadan, Nigeria: prevalence and associated psychiatric morbidity.
- xv. Supervision of WACP dissertation of Are A. 2019. Title: Effect of a Teacher- mediated behavioral programme on depression and self- esteem among secondary school adolescents in Zaria Northwest Nigeria

c. Administrative Duties

- i. Head, Child and Adolescent Psychiatry Department, University College Hospital Ibadan, 2016 - date
- ii. Faculty of Psychiatry, WACP Revision Course Coordinator, 2020 - date
- iii. Acting Director, Centre for Child and Adolescent Mental health (CCAMH), 2020 – date

d. Community Service

- i. Scientific committee Chair, 1st CCAMH Conference, June 14 – 16. 2016
- ii. Invited speaker: Yours Mindfully Initiative, 8th August 2020. Topic: Mental health matters
- iii. Invited speaker: ASIDO Foundation interactive monthly community engagement series, 27th April, 2020 Topic: Anxiety and coping strategies around COVID - 19
- iv. Invited Speaker: 3rd OIS mental wellness summit 10th October 2020 Topic: School Mental Health in Nigeria, Charting a Course for the Future
- v. Invited Speaker: Upskill Mental Health training Series for Educators 3rd July 2021. Topic Promoting mental wellbeing for adolescents in schools: Roles of teachers/school leaders
- vi. Chair, School Mental Health Policy Guide Working Committee of the Association of Child and Adolescent Psychiatrists and Allied professions in Nigeria (ACAPAN) – 2018 - 2019

- ix. Faculty, The Mental Health Leadership and Advocacy Program (mhLAP): 2018 till date. I give lectures on Child and adolescent mental health service needs to Mental health workers from Anglophone West African countries of The Gambia, Ghana, Liberia, Nigeria and Sierra Leone.
- x. West African Correspondent for the IACAPAP Bulletin, 2011 – 2020
- xi. Vice President, African Association of Child and Adolescent Mental Health, (AACAMH) 2014 – 2018
- xii. President, African Association of Child and Adolescent Mental Health (AACAMH), 2018 - 2022
- xiii. Vice-President, International Association for Child and Adolescent Psychiatry and Allied Professions (IACAPAP), 2018 – 2022

IX. Research

a. Completed

- i. Assessing Students' Counseling Needs in the College of Medicine, University of Ibadan (2005).
- ii. Needs assessment for child mental health programs in primary schools in Ibadan, Nigeria (February to March, 2007).
- iii. Training School Counsellors/Teachers and Young people in secondary schools in Ibadan, Nigeria on common mental health problems: Strong emphasis on tackling stigma (March and October, 2008).
- iv. Doctors wellbeing and health status in a tertiary institution in Nigeria (2008 - 2009).
- v. Training school teachers on the early detection of mental health problems in primary school children in Ibadan, Nigeria (2009).
- vi. Psycho-oncology Clinic Research, University College Hospital, Ibadan (2009).
- vii. Pittsburgh Bipolar Offspring Study (2010).

- viii. Effects of a school based - behavioural programme on depressive symptoms and psychosocial functioning among adolescents in Ibadan, South West Nigeria 2014.
- ix. Mental Health Outreach to the Ibadan Correctional Facility 2008 to 2013.
- x. Psychological experiences and consequences of female genital cutting: a qualitative study in Nigeria, with preparations for a quantitative follow-up. 2013 to 2019.

b. In Progress

- i. Child and Adolescent Psychiatry Department Research, University College Hospital, Ibadan Nigeria 2016 till date. A research component has been built into the services offered by the Child and Adolescent Psychiatry Department at the University College Hospital, Ibadan for the purposes of monitoring and evaluation. The findings are currently being written up.
- ii. Developing comprehensive emotional well - being programmes in secondary schools in Ibadan, Nigeria: 2018 to date. This study aims to assess mental health needs in schools and to provide wholistic mental health promotion, prevention, treatment and recovery interventions in secondary schools in Ibadan Nigeria.
- iii. Women's Mental Health Research: 2017 to date. This research aims to explore the epidemiology of mental health disorders of women across the lifespan.
- iv. Improving Child Mental Health Service Utilization in Ibadan Nigeria Using a Community Based Participatory Research Approach (I -USE -CAMH): 2017 to date. This study aims to explore the socio-cultural and individual factors that influence guardians' willingness to utilize accessible CAMH services at the University College Hospital in Ibadan (UCH).
- v. Support, Comprehensive Care and Empowerment for people with psychosocial Disabilities in Sub-Saharan Africa (SUCEED Africa): 2019 to date. This project aims to develop a sustainable, effective, evidence-based package of multi-sectoral care and support for people with psychotic disorders for low-resource, community-based settings in sub-Saharan Africa and to generate new knowledge on co-production for mental health research in LMIC settings. A situational analysis of current resources has been carried out and we are about to commence the formative research to guide intervention development.
- vi. UKRI GCRF Accelerating Achievement for Africa's Adolescents Hub (Accelerate): 2019 – date. This is a multi-sector project aimed at improving the lives of over 20 million adolescents in Africa by identifying factors (accelerators) that can lead to the simultaneous attainment of two or more Sustainable Development Goals (SDG) targets. We have done a secondary analysis of adolescent data in the region and are in the process of writing up.

c. Dissertation and Thesis

1. **Social Phobia among undergraduates at the University of Ibadan.** Dissertation submitted in partial fulfillment for the award of Fellowship of The West African College of Physicians, Faculty of Psychiatry, April 2007
2. **Effects of a school-based behavioural activation programme on depressive symptoms and psychosocial functioning among adolescents in Ibadan, South West Nigeria.** Dissertation submitted in partial fulfillment for the award of Master of Science in Child and Adolescent Mental Health (MSc. CAMH), University of Ibadan, June 2014.
