

PROF A. O. ADEYINKA CURRICULUM VITAE

I

- a. **Name:** **ABIODUN OLUDOTUN ADEYINKA**
b. **Date of Birth:** 19 December 1957
c. **Department:** Radiology
d. **Faculty:** Clinical Sciences
e. **College :** College of Medicine University of Ibadan

II. APPOINTMENTS:

- a. First Academic Appointment: Lecturer 1 May, 1990
b. Present Post: Professor Oct. 2011-date
c. Radiologist, UCH, Ibadan Consultant Radiologist 1989-date
d. Komfo Anokye Teaching Hospital Specialist Radiologist/Acting
HOD
Kumasi, Ghana Radiology Department 2006-2007
e. Kwame Nkrumah University Visiting Senior Lecturer 2006-2007
of Science and Technology,
Kumasi Ghana

III. UNIVERSITY EDUCATION:

University of Ibadan October 1977- September 1982

IV. ACADEMIC QUALIFICATION:

MBBS (University of Ibadan) September 1982

V. PROFESSIONAL QUALIFICATION

- a. Fellow of the West African College of Surgeons **(F.W.A.C.S)** April 1989
b. Fellow of the Nigerian Medical College-Radiology **(F.M.C.R)** May 1989
c. Doctor of Medicine (MD) Degree **(MD)** 2021
d. Fellow of the Nigeria Academy of Medicine **(FNAMed)** 2021

VI. SCHOLARSHIPS, FELLOWSHIPS AND PRIZES:

1. One Year Commonwealth Medical Fellowship Award in Vascular
Radiology at the Royal London Hospital, White Chapel, which led to the

acquisition of skills and Improved Knowledge in diagnostic and Interventional Radiology.1995 – 1996

2. Senate Research Grant for a study titled 'Ultrasonographic Assessment of Fetal Gender (Total Grant is N50, 000) - 1998
3. Ethicon Prize Award for the Best Paper Presented at the 2005 West African College of Surgeon Conference held at Benin Republic, Cotonou, February 2005
4. NIH Support Research Grant: The Indianapolis-Ibadan Dementia Group Project. A Comparative Community-Based Epidemiology Study of Alzheimer's Disease among African-American and Yoruba-Nigerians to Identify Risk Factors for the Disease. Research Support: ROI –AG09956 Hall (PI). National Institute of Ageing USA. Started 1st October 1991-31st December 2005 and through 2007.
5. United State National Institutes of Health Grant (NIH) support Grant: Northwestern University Chicago –University of Ibadan Stroke Imaging Project. "Improving Neurologic Outcome Measurement for Interventional Research in Ibadan" (4R25NS080949). Focused at training and development of Human Capacity in the management of Stroke and Epilepsy related diseases with emphasis on NeuroImaging. (2011-2014)

VII. MEMBERSHIP OF LEARNED SOCIETIES

- Member, Nigeria Medical Association (NMA)
- Member, Association of Radiologist of West Africa
- Secretary, Association of Radiologist of West Africa (2000-2002)
- Faculty Secretary Radiology , West African College of Surgeons (2003-2007)
- Member, Medical And Dental Consultant Association of Nigeria
- Member, British Institute of Radiology
- Member, Radiological Society of North America (RSNA)
- Member, West African Medical Ultrasound Society (WAMUS)

- Member. World Federation of Ultrasound in Medicine and Biology.
- Member, Commonwealth Scholarship fellowship Program Association
- Member International Society of Radiology (ISR)
- 3rd Senate Member, Faculty of Radiology, National Postgraduate Medical College (2011)
- Member of Council of the West African College of Surgeons (March 2013)

VIII.

DETAILS OF TEACHING EXPERIENCE AT UNIVERSITY LEVEL

- a. 21 years [1990-2011] of Teaching experience at Radiology department, College of Medicine, University of Ibadan.
- b. One year [2006-2007] teaching experience as Senior Lecturer at the Kwame Nkrumah University of Science and Technology, Kumasi, Ghana
- c. Teaching of Clinico-Radiology Subjects to Undergraduate Medical Students in their clinical years of training programme
- d. Fully engaged in Clinical Tutorials to undergraduate clinical students in Radiology subjects related to Neuroradiology, Vascular, Urogenital, Chest and Gastro-Intestinal, Musculo-Skeletal, Breast and Small Parts radiology.
- e. Involve in the demonstration of radiological procedures to undergraduate Medical students in the areas of General and Color Doppler Ultrasonography, Myelography, Digital Fluoroscopy, Angiography, Computerized Tomography Scan(CT), Magnetic Resonance Imaging (MRI) and Routine Radiography.
- f. Organizing and participating in Radiological/Surgical/Medical seminars at departmental level for Clinicians and Undergraduate clinical students
- g. Teaching of Dental and Maxillofacial Radiology to clinical students in Dentistry
- h. Teaching of Musculoskeletal radiology to Physiotherapy Students at their Clinical posting levels.
- i. Clinical presentations of relevant clinico-radiological cases at Clinical Ground Rounds.
- j. Examiner in Oral, Written and Clinical Papers in the final M.B.B.S. examination.

- k. Supervision of Postgraduate students on Residency Training program
- l. Coordinating Revision Courses for Postgraduate Residency Training Program in Radiology.
- m. Reviewer-Articles/Journals:
 - i. African Journal of Medicine and Medical Sciences – Editorial office at Institute of Advanced Medical Research and Training (IAMRAT), College of Medicine, University College Hospital, Ibadan, Nigeria (2000)
 - ii. West African Journal of Medicine – Editorial Office at 6, Taylor Drive, Edmond Crescent Medical Compound, Lagos, Nigeria (2001)
 - iii. Associate Editor, West African Journal of Ultrasound – Editorial Office at Department of Radiology, University of Ilorin, Ilorin, Nigeria. (2003)
 - iv. Reviewer, National Postgraduate Medical Journal (2004)

IX. RESEARCH:

Dissertation and Thesis:

- a. “Experience in Myelography” submitted for the Part II final examination of the National Postgraduate Fellowship Examination in 1989.
- b. A Book of Case Reports of 10 Clinico-Radiological cases encountered during the period of Postgraduate Fellowship training in Radiology

X. PUBLICATIONS

1. Chapters in Books already published

- a. **Abiodun Adeyinka**, Millicent Obajimi (2018) Congenital Malformation of the Brain In Donald Nzeh (Eds) Compendium of the Brain & Spine Magnetic Resonance Imaging. Bookbuilders 49-65pp ISBN 978-978-921-163-0
- b. Godwin Ogbole and **Abiodun Adeyinka** (2018) Dementia In Donald Nzeh (Eds) Compendium of the Brain & Spine Magnetic Resonance Imaging. Bookbuilders 171-181pp ISBN 978-978-921-163-0
