

# **CURRICULUM VITAE**

**Akinlabi Emmanuel Ajao**

*MBBS (Ibadan), MSc (Ibadan), FWACS (Paed. Surg.)*

## CURRICULUM VITAE

1. **Name:** AJAO, Akinlabi Emmanuel
2. **Current Address:** Department of Surgery  
University College Hospital,  
Ibadan, 200212, Oyo State, Nigeria  
E-mail: [akinlabi.ajao@gmail.com](mailto:akinlabi.ajao@gmail.com)  
Telephone no: +234-803-280-2484
3. **University and Professional Education, with dates**
  - i. **Undergraduate Education:**  
College of Medicine, University of Ibadan 1999-2006
  - ii. **Postgraduate Education:**  
Faculty of Public Health, University of Ibadan 2016-2018
  - iii. **Professional Education:**  
Registrar: Rotations in General Surgery, Urologic Surgery, 2009-2011  
Neurosurgery, Cardiac and Thoracic Surgery, Plastic Surgery,  
Paediatric Surgery, Orthopaedic Surgery, and the Accident and  
Emergency Department.  
  
Senior Registrar in Paediatric Surgery 2012-2015
4. **Qualifications:**  
**Academic**  
  
M.B.B.S. (Bachelor of Medicine, Bachelor of Surgery), University of Ibadan May 2006  
  
MSc. (Masters in Epidemiology and Medical Statistics), University of Ibadan February 2018  
  
**Professional**  
  
FWACS (Paed Surg). Fellowship in Paediatric Surgery, West African College of Surgeons April 2015
5. **Scholarships, Fellowships and Prizes:**  
  
Federal Government of Nigeria Scholarship Award for University Students 2001

## 6. Honours and Distinctions:

|  |                         |
|--|-------------------------|
| Chief Resident of the Department of Surgery, University College Hospital, Ibadan   | 2013-2015               |
| Examination Coordinator, Department of Surgery, Bowen University, Iwo involved in organizing examinations for undergraduate surgery. | June 2018 – June 2019   |
| Member of the Bowen University Teaching Hospital Financial performance review committee  | June 2018 – June 2019   |
| Secretary, Bowen University Teaching Hospital Theatre Users Committee inaugurated  | August 2017 – June 2019 |
| Member, adhoc committee to review the operational systems of the Bowen University Teaching Hospital                                  | November 2018           |
| Coordinator of the Objective Structured Clinical Examination for the Department of Surgery, Bowen University, Iwo                    | April 2016 – June 2018  |

## 7. Previous work experience outside the University system

|  |                     |
|--|---------------------|
| i. University College Hospital, Ibadan, Oyo State as <i>House Officer</i> , 2007   | July 2006 – June    |
| ii. General Hospital, Damasak, Borno State as <i>Medical Officer</i> , April 2008  | November 2007 –     |
| iii. Oni Memorial Children Hospital, Ibadan, Oyo State as <i>Medical Officer</i> , September 2008  | May 2008 –          |
| iv. Bowen University Clinic, Iwo, Osun State as <i>Medical Officer</i> , 2009  | October 2008 – July |
| v. University College Hospital, Ibadan, Oyo State as <i>Resident Doctor</i> , December 2015  | July 2009 –         |
| vi. University College Hospital, Ibadan, Oyo State as <i>Chief Resident, Department of Surgery</i> ,   | 2013 – 2015         |
| vii. Ondo State Trauma and Surgical Centre ( <i>now University of Medical Sciences Teaching Hospital Complex</i> ), Ondo, Ondo State as <i>Consultant Paediatric Surgeon</i> , February 2016 | January 2016 –      |

## 8. Details of teaching experience at university level

- i. Tutorials and bedside teachings of 400-600 level medical students of the University of Ibadan in Principles of Surgery, Surgery-in-general, General Surgery and Paediatric Surgery, as a Senior Registrar in Paediatric Surgery, 2012-2015
- ii. Lecturer 1 in the Department of Surgery, Bowen University, Iwo March 2016 – June 2019
- iii. Coordinator of the Objective Structured Clinical Examination for the Department of Surgery, Bowen University, Iwo, April 2016 – June 2018
- iv. Examination Coordinator, Department of Surgery, Bowen University, Iwo June 2018 – June 2019

## 9. Details of present work

Lecturer 1 Department of Surgery, College of Medicine, University of Ibadan June 7-present

Clinical fellow in Paediatric Surgery, Hull University Teaching Hospitals Trust April 2022-present

Senior Clinical Fellow in Paediatric Surgery, Manchester University NHS foundation Trust

September 2021-April 2022

## 10. Membership of learned societies

- i. Nigeria Medical Association
- ii. Medical and Dental Council of Nigeria
- iii. Association of Paediatric Surgeons of Nigeria
- iv. Pan-African Paediatric Surgical Association

## 11. Graduate study supervision: none

## 12. Major conferences attended with reports and papers read

- a) 56<sup>th</sup> Annual Conference of the West African College of Surgeons, held in Yaoundé, Cameroun, February 2016
- b) 11<sup>th</sup> Pan African Paediatric Surgical Association Biennial Conference and 15<sup>th</sup> Annual Association of Paediatric Surgeons of Nigeria Conference. September 2016.
- c) 71<sup>st</sup> Scientific Conference of the Nigerian Surgical Research Society held in LAUTECH Teaching Hospital, Ogbomoso. July 6-8, 2017.
- d) 16<sup>th</sup> Scientific Conference and Annual General Meeting of the Association of Paediatric Surgeons of Nigeria, Enugu, Nigeria. September 20-23, 2017.
  - i. Bowel resection in children: a five-year review.
  - ii. Jejunio-ileal atresia associated with anorectal malformation in a Nigerian female patient: a case report.
  - iii. Management of posterior urethral valve in a Tertiary Health Centre, South-West Nigeria.
- e) 17<sup>th</sup> Scientific Conference and Annual General Meeting of the Association of Paediatric Surgeons of Nigeria, Kano, Nigeria. September 26-29, 2018.
  - i. Childhood intussusception in South-West Nigeria: a multicentre study.
  - ii. Clinical predictors and outcome of bowel resection in paediatric intussusception.

### 13. Research work

#### Completed and awaiting publication:

- i. Ajao, A.E., Adeniran, J.O. Jejuno-ileal atresia associated with anorectal malformation in a Nigerian female patient: a case report. Submitted in February 2019.
- ii. A.E. Ajao, F.O Kumolalo, T.A. Lawal, D.I Olulana, O.O. Ogundoyin. A clinical scoring system to predict the need for bowel resection in paediatric intussusception.

#### In progress

- i. Review of perforated typhoid ileitis in Bowen University Teaching Hospital, Ogbomosho. Ethical approval for this study has been obtained. Data collection commenced in August 2018 and is on-going. The study will describe recent outcome of the management of perforated typhoid ileitis in Bowen University Teaching Hospital and also compare wound outcomes between vertical and transverse abdominal wounds for this condition.
- ii. Burden of surgical conditions in Neonatal mortality in Ogbomosho. Data was collected on this study in August 2017. Data obtained has been collated and entered into a computer software. Statistical analyses are being run and the results are being awaited. Manuscript writing will commence soon after this.

### 14. Article Reviews for Learned Journals

- i. Review of articles for BMC Pregnancy and Childbirth
- ii. Review for the African Journal of Paediatric Surgery
- iii. Review for BMC Pediatrics
- iv. Review for Annals of Ibadan Postgraduate Medicine
- v. Review for Integrated Journal of Medicine and Medical Sciences

## 15. Publications:

### **Theses/Dissertations:**

1. Comparison of the effectiveness of rectal diclofenac with wound-infiltrated bupivacaine for post-operative analgesia following herniotomy in children. Dissertation submitted to the West African College of Surgeons, April 2015
2. Hospital prevalence, risk factors and outcome of congenital anomalies among neonatal admissions in Ogbomoso. Dissertation submitted to the University of Ibadan for the award of MSc. Epidemiology and Medical Statistics. Feb 2018.

### **Books or Chapters in books already published**

1. **Akinlabi Ajao**, Nnaemeka Nwafulume, E. Oluwabunmi Olapade-Olaopa. Testicular torsion. In: E. Oluwabunmi Olapade-Olaopa, J. Kayode Ladipo, Adesina Oladokun, Simbo D. Amanor-Boadu (Eds), 2017: Manual of Emergency and Essential Surgical care in Sub-Saharan Africa. Ibadan: World Health Organization. Oluben printers. Pg 401-407.
