

CURRICULUM VITAE

- I.** **a. Name:** **FAWOLE** Olufunmilayo I. (nee Lewis)
 b. Department: Department of Epidemiology and Medical Statistics
 c. Faculty: Public Health
 d. College: Medicine

- II.** **a. First Academic Appointment** June 7, 1996
 b. Present Post (with date): Professor
 c. Date of last Promotion: October 1, 2009

III. UNIVERSITY EDUCATION (with dates):

- | | |
|--|-------------------------|
| University of Ibadan, Nigeria | (Sept. 1981- Jun. 1987) |
| University of Pretoria, Pretoria, South Africa | (Mar. 5 to Apr. 4 2008) |
| University of the Witwatersrand, South Africa | (Feb. 2008- Dec. 2009) |
| University of KwaZulu-Natal, South Africa | (Sep. 2015- Jan. 2019) |

IV. ACADEMIC QUALIFICATIONS (with dates):

- | | |
|--|--------------------------------------|
| a. Bachelor of Medicine, Bachelor of Surgery (MBBS), University of Ibadan, Nigeria - Jun. 1987 | |
| b. Certificate in Clinical Epidemiology, University of Pretoria, South Africa | - Mar. 2008 |
| c. Masters of Science in Epidemiology and Biostatistics (MSc) University of the Witwatersrand, South Africa | - Dec. 2009 |
| d. Certificate in Medical Education, Center for Medical Education in context (CenMEDIC) and FAIMER Centre for Distance Learning, London, United Kingdom | - Jul. 2012 |
| e. Certificate in Case Study Development, Emory University, Rollins School of Public health, Atlanta, USA and African Field Epidemiology Network, Kampala, Uganda. | 10-21, Aug. 2015
& 4-8, Apr. 2016 |
| f. Doctor of Philosophy (PhD) Clinical and Health Professions Education, University of KwaZulu-Natal, South Africa | - Jan. 2019 |

V. PROFESSIONAL QUALIFICATIONS AND DIPLOMA (with dates):

- | | |
|---|------------------------|
| a. Fellow, National Postgraduate Medical College Nigeria | - Mar 1990-May 1995 |
| b. Fellow, West African Postgraduate Medical College. | - Mar 1990-Oct 1996 |
| c. Fellow, South African Foundation for Advancement of International Medical Education and Research (SAFRI) | - Jan 2010 – Jul. 2012 |

VI. SCHOLARSHIP/FELLOWSHIP AWARDED (with dates):

- a. African Training for Leadership and Advanced Skills (ATLAS) Short term post graduate study programme for Masters Training in a US University. Administered by the African American Institute, UN Plaza NY, USA - 1995
 (Was cancelled by US government as part of sanctions against Nigeria for failure to go democratic)
- b. UNIFEM Gender and Health Training Fellowship- Birmingham, UK- June 2002

- d. British Council Training Fellowship – New approaches to addressing gender based violence (), Manchester, UK - November 2004.
- e. Highly commended award for publication of outstanding paper by Emerald Literati Club -2002.
- f. Sage publications award for publication of leading paper- 2005
- g. Highly commended award for publication of outstanding paper by Emerald Literati Network- 2006
- h. Postgraduate Merit Award, the University of Witwatersrand, South Africa - 2008.
- 1. University of Kwa Zulu Natal, Research Award - 2015

VII. HONOURS, DISTINCTIONS AND MEMBERSHIPS OF LEARNED SOCIETY

- a. Member, Nigerian Medical Council - Reg. No. F 14, 856
- b. Fellow, West African Postgraduate Medical College
- c. Fellow, National Postgraduate Medical College of Nigeria
- d. Member, National Medical Association Medical Women of Nigeria
- e. Member, National Association of Public Health Physicians
- f. Member, Medical and Dental Consultants Association of Nigeria.
- g. Member, African Malaria Network
- h. Member, Global Forum for Health Research
- i. Member, Global Action Network
- j. Member, UI/UCH Institutional Review Committee
- l. Member, Academic Steering Committee NFELTP programme
- j. Adjunct lecturer, San Diego state University, San Diego (2018-till date)

National Assignment

- a. National surveillance Officer, World Health Organization, Nigeria – 2001-2002.
I conducted surveillance for 22 priority diseases in Oyo state.
- b. State Coordinator, Oyo state Office WHO (2003-06).
I was in charge of routine and supplemental immunization; Disease surveillance and Prevention/control of epidemics in a state with 33 LGAs and population of about 5 million people.
- c. Team leader, National Evaluation of Global Fund Round 5 implementation in selected states of Nigeria.
Evaluation was awarded by National Action Committee on AIDS in 12 states of the country on six different target group for HIV/AIDs (PLWHA, OVC, pregnancy women, Health care providers, SMEs, general population etc)

VIII. DETAILS OF TEACHING EXPERIENCE AT UNIVERSITY LEVEL:

1. Teaching of:

Undergraduate level

- a. **MBBS Part I & II** : Course on “ Introduction to Epidemiology.”
- b. **MBBS Part III**: “Epidemiology of Communicable and Non communicable diseases.”
- c. **MBBS Final**: Revision Lectures in Epidemiology.”
- d. **B.Sc, 2nd Year and ADHE Students**: Principles and Methods of Epidemiology.”
- e. **Environmental Health Officers Tutors and Nurse Tutors Course.**”
Principles of Epidemiology.
- f. **School of Midwifery and Nursing**

Emerging and Remerging diseases in public health.

Postgraduate level

Is involved in the four Masters programme of the Department :- MSc in Epidemiology, MSc Epidemiology and Medical Statistics, MPH Field Epidemiology, and MPH in Field Epidemiology and Laboratory training and Practice.

- a. MSc/ MPH - Principles of Epidemiology (1st semester)
 - Communicable Disease Epidemiology (1st semester)
 - Non-Communicable Disease Epidemiology (1st semester)
 - Research Methodology (1st semester)
 - Practical Epidemiology (2nd semester)
 - Health Information System (2nd semester)
 - History of Public Health (2nd semester)
 - Practical Epidemiology (2nd semester)
 - Public Health Nutrition (2nd semester)
 - Occupational Epidemiology (2nd semester)
 - Environmental Epidemiology (2nd semester)
 - Reproductive health (OBS 714)
 - Epidemiology seminars
 - Field work

b. PhD.- as above

Professional level

- a. West African College of Physicians
 - Epidemiological Principles and Methods
 - Study designs
 - Observational studies of mortality
 - Evidence based Medicine
- b. National Postgraduate Medical College
 - Epidemiological Principles and Methods

2. Student supervision

Postgraduate

MSc (Completed) > 400

MPH (Completed) >150

Professional - (FWACP/FNMCPH) -12

PhD Supervised to completion -4

.

3. Clinical assignment

- a. Patient care and management at departmental field sites- Aladura village, Ajebo and Mokola communities.
- b. Bedside teaching of students on clinical and practical epidemiology
- c. Consultation at Endemic and STC clinic, UCH.
- d. Health education of community members and patients.
- e. Education of primary care personnel on case management of malaria, measles, AFP and other vaccine preventable diseases

4. Academic and Administrative Responsibilities

- a. Director, Office of International Programmes, University of Ibadan (2022- till date)

- a. Dean, Faculty of Public Health (2016- 2020)
- b. Acting Head of Department (2009-2012) and (2014-2016)
- c. Head, Epidemiology Unit, Dept. of Epidemiology and Medical Statistics (From 2000- till date).
- d. Member, Academic committee. Dept. of Epidemiology and Medical Statistics
- e. Member, Faculty Appointment and Promotion committee (2005-08).
- f. Member, College Appointment and Promotion committee (From May 2011)
- g. Examiner, West African Postgraduate Medical College.
- h. Examiner, National Postgraduate Medical College in Public Health
- i. External examiner, MBBS and Masters examinations at
 External examiner, MBBS and Masters examinations at
 -Ladoke Akintola University of Technology, Osogbo;
 -Olabisi Onabanjo University, Ago Iwoye and
 -Obafemi Awolowo University, Ile Ife
 -Osun State University, Osogbo
 -Lagos State College of medicine (LASUCOM), Lagos.
 -Universities of Cape town , South Africa;
 -University of Malawi, Malawi
 -Kwa Zulu Natal, South Africa
 -University of Johannesburg, South Africa
 - University of Cape Town, South Africa
 - Makerere Uiversity, Uganda
- j. Lecturer, Consultant, Centre for Disease control on the Nigerian Field Epidemiology and Laboratory Training Programme
- k. Reviewer, to many local and international journals, UKRI Medical Research Council proposal reviewer.
- l. Reviewer, AFENET/USAID/CDC students trainee grant.
- m. Associate Editor, BMC Public Health (2005-2015)
- n. Adjunct lecturer, San Diego state University, San Diego (2018-2020)

5. Trainer/Consultant/ Invited Expert.

- a. EPI-INFO statistical software package for data management
- b. Epidemiological principles and Methods including research methodology to other departments, NGOs and governmental organizations.
- c. HIV/AIDS educational and awareness programme to NGOs, youth groups and the media,
- d. Gender based violence prevention awareness to young women and girls, media organizations, police and judicial officers.
- e. Consultant, to Federal Ministry of Health on Third interlink training on HIV and ART, MTCTC and HIV in pregnancy November 2010.
- d. Consultant/Expert, FMOH/WHO –Identification of Maternal Newborn and Child Health Research prioritization Workshop for settling up research agenda for the country 28th to 30th July 2011.
- e. Consultant/Expert, FMOH/WHO/CIDA-PMTCT Research prioritization Workshop for settling up research agenda for the coutry 26th to 28th September 2011.
- f. Orientation training on WHO Research Guidelines for WHARC Research teams and FMOH 8th-10th July 2013.

6. Coordinator

- Coordinator, N-FELTP Scientific workshop on Malaria. Strengthening malaria-related research of the Nigeria Field Epidemiology and Laboratory Training program, Sept 2013.
- WHO Oyo state Coordinator, Trainings on disease Surveillance and investigation of epidemics
- WHO Coordinator, Routine and Supplemental Immunisation Activities in Oyo state.
- Coordinator, Sensitization programme on violence against women to judicial officers and police officers in Oyo, Ogun and Osun states of South-western Nigeria.
- Coordinator, Ending violence against women using media practitioners.

IX. ORGANIZATION OF CONFERENCE/KNOWLEDGE SHARING ACTIVITIES

1. **Fawole O.I** Population and Reproductive Health Dynamics under Covid-19 in Sub-Saharan Africa, Section Chair Vaccination- COVID 19 vaccine. March 2022
2. **Fawole O.I** Involvement of women researchers in the global health security. 4th edition Forum Galien Afrique, Dakar Senegal. 6 - 10 December, 2021.
3. **Fawole O.I**, Ajuwon AJ and Osungbade KO. Experience and Perpetration of Violence by Secondary School Students in Ibadan, Nigeria. IUSSP Seminar on Violence in Adolescence and Youth in Developing Countries, New Delhi, India organised by IUSSP Scientific panel on Young people's life course in developing countries in collaboration with Population Council, New Delhi. 9 -11 October, 2012.
4. **Fawole O.I**, *University of Ibadan*; Agwai C, *University of Ibadan*. [Economic abuse against women working in the formal and informal sectors in Warri, Nigeria](#). 7th African Population Conference, Pretoria, South Africa. 30 November – 4 December, 2015.
5. Okedare O.O. and **Fawole O.I**. (2021). Burden and Risk Factors of Intimate Partner Violence among Young Women in Urban Slums of Ibadan. Conference: 1st African Regional Conference on Adolescent & Youth Health & 2nd Nigeria National Conference on Adolescent Health & Development organized by Society for Adolescent and Young People's Health in Nigeria (SAYPHIN). 18 – 21 August, 2021.
6. Eluyefa, M.A., Okedare, O.O., Salawu, M.M., **Fawole, O.I**. (2022). Parental support and sexual behaviour of adolescent girls in low-income communities in Ibadan. 2nd Ibadan Public Health Conference, Ibadan. 27 - 29 June, 2022.
7. Reed, E., Salawu, M.M., Okedare, O.O., Kiene, S., **Fawole, O.I** (2022). Girls invest: a mobile-enabled economic empowerment for girls to reduce risk for partner violence. SVRI Forum 2022. 7th international conference on violence against women and children. Cancun, Mexico. 19 – 23 September, 2022.

X. RESEARCH GRANTS

a. Completed

Principal Investigator

- 1995 Knowledge and home management of malaria by mothers of under five children and primary health care workers of in Ibadan, Nigeria (African Child Survival Initiative-Combating Childhood Communicable Disease, US).
- 1998 Improving AIDS knowledge and sexual behaviour of students of tertiary institutions, Nigeria. (Senate Research Grant, University of Ibadan).
- 1999 Interventions to prevent violence against women in young female hawkers in South-western Nigeria. (UNIFEM, New York).
- 2001 Prevention of violence against women in young female apprentices in Ibadan, Nigeria. (British Council-DFID, UK).
- 2003 Ending violence against women using media practitioners. (UNIFEM, New York).
- 2007 Knowledge and screening practices of primary health care workers in south western Nigeria. (Senate Research Grant, University of Ibadan, Nigeria).
- 2008 Intimate Partner Violence and Primary Health Care Workers: Screening and Management in Oyo state, Nigeria. (Support from WHO, Nigeria)
- 2009 Intimate Partner violence to female undergraduates in the University of Ibadan, Nigeria. (Senate Research Grant, University of Ibadan, Nigeria).
- 2010 Mid Term Evaluation of Global Fund Round 5 HIV and AIDS Programme in Nigeria (NACA/SFH/ARFH, Nigeria).
- 2013 Development of a Gender Based Violence Training Curriculum for Medical Students of the University of Ibadan, Nigeria (University of Ibadan, Senate Research grant).
- 2015 Development of a Gender Based Violence Training Curriculum for Medical Students in South west Nigeria: Students, Faculty and Victim perspectives. (University of Kwa Zulu natal, Research award)
- 2023 Landscape analysis of use of Digital Financial Services and Health Workers' Motivation, Performance and Retention in Nigeria (Bill and Melinda Gates)

Co-Investigator

- 1996 Training programme to prevent transmission of HIV and management of AIDS at the primary health care level in Oyo state (World AIDS Foundation, France)
- 1997 Effects of education on reproductive knowledge, contraceptive use and sexual behaviour of adolescent female hawkers in motor parks in Ibadan, Nigeria (Union for African Population Programme, Senegal)

- 1998 Incorporating socio-cultural and economic characteristics of mothers and care-givers in home management of malaria. (Multilateral Initiative on Malaria/ World Health Organization,, Geneva).
- 1998 Survey and evaluation and acceptability of herbal remedies used in the treatment of malaria in Nigeria (MIM-World Health Organization, Geneva).
- 2000 Prevalence of Human Papilloma Virus Infection in Nigeria. (Human Reproductive Health Programme-World Health Organization).
- 2001 Clinical trial of three advocacy messages to improve Ivermectin distribution in south-western Nigeria (WHO-TDR, Geneva).
- 2000 Prevalence of Human Papilloma Virus infection in Ibadan, Nigeria. (International Agency for Research on Cancer, France)
- 2004 Perinatal and maternal health in Nigeria (WHO- Human Reproductive Health Programme, Geneva)
- 2005 Interventions for the Prevention of violence among secondary school students in Ibadan (WHO-HRP, Geneva)
- 2007 Kidney normograms for Nigerian neonates by ultrasound (Mac Arthur Foundation, US)
- 2010 Development of a Gender and Sexual harassment Policy for the University of Ibadan, Nigeria. Nigeria (University of Ibadan, Senate Research grant).
- 2014 Accessing the impact of an intervention to improve quality of emergency Obstetric care on maternal and perinatal outcomes in Nigeria (WHO-HRP, Geneva).
- 2016 Hierarchical Modelling of Survival Time of Age at sexual debut, first birth and first marriage among youths in Nigeria (CARTA).
- 2019 Landscape Analysis of Gender-based violence and harmful traditional practices and Obstetrics fistula in Nigeria
- 2020 Assessment of COVID-19 response in Nigeria, being part of multi country study on COVID 19 response in Eastern, Central and Western Africa (Gates Ventures). -
Sprints:1. Testing and Surveillance; 2 . Maintenance of Essential Health Services;
3. Unintended Consequences of Non-Pharmaceutical Interventions; 4 .Intended
Consequences of Non-Pharmaceutical Interventions; 5 . Health Systems Readiness; 6 .
COVID-19 vaccine survey

b. In Progress
Principal-Investigator

- 2019 Girls Invest: Financial literacy and Empowerment to reduce Gender based violence among Girls and young women in Nigeria (Well spring Philanthropic, US)

- 2022 Health System Resilience in Nigeria during COVID-19 Pandemic (in collaboration with Global Financing Facility, Gates Ventures, and FMOH)

- 2022 A landscape analysis of the local context, challenges, and opportunities for digitized health worker payments in Nigeria (Bill & Melinda Gates)

- 2022 African Leadership and Management Training for Impact in Malaria-Eradication (ALAMIME) (Bill & Melinda Gates)

- 2021 Masters' Programme in Epidemiology and Biostatistics with Specialization in Disease Outbreak and Epidemic Response in sub-Saharan Africa (EU and Africa CDC). This is a 30 months Masters' Programme in Epidemiology and Biostatistics with Specialization in Disease Outbreak and Epidemic Response in sub-Saharan Africa funded by EU and and Africa CDC), to train a cohort of epidemiologists and biostatisticians (called EPI Fellows- early to mid-career researchers) across sub-Saharan Africa in Master's degree in with Specialization in Disease Outbreak and Epidemic Response, to meet the challenges and strengthen the Epidemiologic and Laboratory Management capacity of countries in sub-Saharan Africa in the current emerging and re-emerging infectious diseases and other public health problems. The MPH programme is a collaborative effort of UI with Imperial College and Cardiff University

C. Project, Dissertation and Thesis

1. Fawole O.I. (1995)

Knowledge and home management of malaria, by mothers of under five children and primary health care workers in Ibadan, Nigeria. Approved dissertation for award of **Fellowship in the National Postgraduate Medical College in Public Health.**

2. Fawole O.I. (1996)

Survey of knowledge, attitude and sexual practices relating to HIV infection/AIDS among Nigerian secondary school students in Ibadan North east Local Government Area. Approved dissertation for award of **Fellowship in the West African College in Community Health.**

3. Fawole O.I. (2008)

Association between alcohol consumption and high risk sexual behaviour in the South African adult population. Approved dissertation for award of **Masters of Science in Medicine in Epidemiology and Biostatistics in the University of Witwatersrand, South Africa.**

4. Fawole O.I. (2012)

Identification of training needs on Gender based Violence of Medical Students of the University of Ibadan. Approved project for award of **Fellowship of the South African Foundation for Advancement of International Medical Education and Research (SAFRI) (FAIMER Fellowship).**

5. Fawole O.I. (2018)

Preparing medical students to recognize and respond to gender based violence: A mixed method study in southwest Nigeria. Approved dissertation for award of **Doctor of Philosophy (PhD) Health Sciences, School of Medicine, University of KwaZulu-Natal, Durban, South Africa.**
