

1. Name: AJAYI IkeOluwapo O.

2. Place of Birth/Nationality: Lagos/Nigerian

3. Date of Birth: 18 June

4. Current Address: Department of Epidemiology and Medical Statistics,
Faculty of Public Health, College of Medicine,
University of Ibadan, Nigeria

E-mail: ikeajayi2003@yahoo.com

Tel. No: +234 8023268431

5. University Education, with dates:

(i) Undergraduate:

- University of Ibadan, Nigeria 1979 -1983

(ii) Postgraduate:

- University of Ibadan, Ibadan, Nigeria 2001-2006
- University of Ibadan, Ibadan, Nigeria 1998 – 2000
- University of Western Ontario, London, Canada 1993 - 1994
- National Postgraduate Medical College, Nigeria
- West African College of Physicians

6. Academic Qualifications:

Academic Qualifications	Granting Institution	Dates
i. MB;BS	University of Ibadan	1983
ii. M.Cl.Sc (Masters in Clinical Science)	University of Western Ontario, London, Canada	1994
iii. MPH	University of Ibadan	2000
iv. Ph.D. (Epidemiology)	University of Ibadan	2006
v. MD (Doctor of Medicine)	National Postgraduate Medical College, Nigeria	2021

Professional Qualifications and Diplomas (with dates)

Qualifications	Granting Institution	Dates
i. Certificate in Family Planning	Obstetrics &Gynaecology Dept. UCH, Ibadan	1989
ii. Fellowship (FMCGP)	National Postgraduate College of Nigeria	1994
iii. Fellowship (FWACP)	West African College of Physicians	1996

iv.	Certificate in Applied/Field Epidemiology	Emory University/CDC, Atlanta Georgia, USA	2006
v.	Certificate in International Health Consultancy	Liverpool School of tropical Medicine, Liverpool, UK	2009
vi.	Certificate in Monitoring and Evaluation of Public Health Programmes	Population and Reproductive Health Programme, Obafemi Awolowo University, Ile-Ife and MEASURE Evaluation, USAID	2011
vii.	Certificate in Case Based Teaching in Epidemiology	Harvard School of Public Health, Boston	2013
viii.	Certificate in Dissemination and Implementation Research in Health	Training Institute for Dissemination and Implementation Research in Health (TIDIRH) Supported by National Institute of Health (NIH), USA	2016

7. Scholarship, Fellowship and Prizes:

i.	Best Candidate at Part 1 FMCGP – 1990 leading to One Year Abroad Scholarship programme on merit by the National Post-graduate Medical College, Nigeria		1990
ii.	Chief (Dr) Agbaje Prize for the best candidate in the FMCGP finals		1994
iii.	Bristol Businessman’s Prize for Part II FMCGP candidate whose dissertation contributes most to Primary Health Care in Nigeria.		1994
iv.	Fellowship Award from the International Union against Cancer (IUCC) – To understudy breast and cervical cancer screening at the Department of Community Health Sciences, University of Manitoba, Winnipeg, Canada.		2001
v.	Year 2002 International Scholar of the Society of Teachers of Family Medicine Foundation		2002
vi.	UICC Fellowship to attend Fellows’ program for the 2006 World Cancer Congress (WCC); Washington DC, July 5-12,		2006
vii.	AACR-NCI Investigator opportunity Grants to attend the Frontiers in Cancer Prevention Research. Nov 12-15, Boston, MA, USA		2006
viii.	Lance Armstrong Foundation Sponsorship to the LIVE STRONG Global Cancer Summit Dublin, Ireland Aug. 24–26		2009
ix.	Senior visiting Lown Scholar: Harvard School of Public Health Boston, USA		2013 to date
x.	The Nigeria Prize for Science, 2017 awarded by Nigeria Liquefied Natural Gas (Nigeria LNG) Company		2017
xi.	Fellow, African Academy of Sciences (FAAS)		2021

8. Honours and Distinctions:

<i>Honours</i>			
i.	Visiting Fellow, Family Medicine Department, University of Western Ontario, London Ontario, Canada		1994

ii	Recognition of contribution to the development of the Nigeria Field Epidemiology and Laboratory Training Programme and training of residents: 10th year Anniversary	2018
	<i>University Honours</i>	
i.	Member, Review of University Health Services Structure	2010
ii.	Member, Mock Accreditation Committee to visit Proposed Environmental Health Department, College of Medicine	2010
iii.	Coordinator, Research and Collaborating Committee, Department of Epidemiology, Medical Statistics and Environmental Health, Faculty of Public Health	2008-2010
iv.	Sub-Dean, Faculty of Public Health	2010-2012
v.	Member/Chairman, Curriculum Development Committee, Department of Epidemiology and Medical Statistics, Faculty of Public Health,	2010/ 2012 - 2014
vi.	University Focal Person, Nigeria Field Epidemiology and Laboratory Training Programme (N-FELTP)	2012 to 2014
vii.	Acting Head of Department, Epidemiology and Medical Statistics Department	April 2012 - July 2014
viii.	Member, Appointment and Promotion Panel, Department of Epidemiology and Medical Statistics, Faculty of Public Health	2007 - date
ix.	Research Coordinator, Epidemiology and Biostatistics Research Unit, Institute for Advanced Medical Research and Training (IAMRAT), College of Medicine, University of Ibadan	2010 - date
x.	Member, Appointment and Promotion Panel, Faculty of Public Health	2010 - date
xi.	Member, Senate, University of Ibadan	2012 - date
xii.	Member, Academic Board, College of Medicine, University of Ibadan.	2013 - date
xiii	Member, Board of Health, University of Ibadan	2020 - date
xiv	Director, Institute for Advance Medical Research and Training, College of Medicine, University of Ibadan	Aug. 2021 to date
xv	Member, Executive Committee, College of Medicine, University of Ibadan.	Aug.2021 to date
	<i>International Honour</i>	
xvi	Board Member, African Palliative Care Association, Uganda	Aug 2022 to date
	<i>Distinction</i>	
xvi.	Best Candidate at Part 1 General Medical Practice Fellowship Examination, National Postgraduate Medical College, Nigeria	1990

9. Membership/Fellowship of Learned Societies:

Membership of Committees and Boards

	<i>Membership of Committees</i>	
i.	Joint IAEA, TDR/WHO initiative Ad-Hoc Working Group on Sterile Insect Technique for mosquito-borne diseases	2019

ii.	Member, Steering Committee Meeting for National Dialogue on Malaria	2019
iii.	Member, Malaria Operations Research Technical Working Group, National Malaria Elimination Programme (NMEP)	2018 - date
iv.	Development of National Malaria Operational Research Agenda Committee, National Malaria Elimination Programme (NMEP), Nigeria	2017 - 2018
v.	Member, Data Safety and Monitoring Board (DSMB) for Operational Research on Community Case Management of chest in-drawing pneumonia with oral amoxicillin in children aged 2-59 months by community-oriented resource persons (CORPS) in Niger State (NHREC/01/01/2007) - Malaria Consortium	2016
vi.	Member, Outbreak of Infection Committee, UCH, Ibadan	2012 - 2016
vii.	Member, Multidisciplinary Tumour Board, UCH Ibadan, Nigeria	2012 - date
viii.	President, Society for the Study of Pain, Nigeria (SSPN)	2013 - 2015
ix.	Board Member, Diploma in Family Medicine Programme	2010 - 2016
x.	Member, Steering Committee, Nigeria Field Epidemiology and Laboratory Training Programme (N-FELTP)	2008-2014
xi.	Member, Malaria Research Laboratory, Institute for Advanced Medical Research and Training, (IAMRAT) College of Medicine, University of Ibadan	2008 - 2013
xii.	Member, Hospital Infection Committee, UCH Ibadan	2000-2006
xiii.	Chairman, Clinical Audit Committee, UCH Ibadan	2005-2008
xiv.	Treasurer, Centre for Palliative Care, Nigeria	2007 - 2014
xv.	Member, Board of Trustees, Centre for Palliative Care, Nigeria	2007 - date
xvi.	Member, Modern Research Ethics Training for Health Research Ethics Committees	(2008 to date]
xvii.	Member, Proposed Medical School Curriculum Development Committee, Federal University of Technology, Akure	2008-2012
xviii.	Coordinator, Research and Training Unit, Centre for Palliative Care Nigeria	2019 – date

Membership/Fellowship of Learned Societies

- Member, Nigerian Medical Association (NMA)
- Medical Women Association of Nigeria (MWAN)
- Member, Medical and Dental Consultants Association of Nigeria (MDCAN)

- Member, International Association for the Study of Pain (IASP)
- Member, American Society of Clinical Oncology (ASCO)
- Member, Society for the Study of Pain, Nigeria (SSPN)
- Member, World Organisation of National Colleges of Academia and Academic Associations of Family Physicians (WONCA)
- Member, Society of Family Physicians of Nigeria (SOFPON)
- Member, Epidemiology Society of Nigeria (EPISON)
- Member, International Epidemiology Association (IEA)
- Member, African Palliative Care Research Network (APCRN)

Examiner/External Assessor for promotion and Advisor

	<i>Examiner/External Assessor for promotion</i>	
i.	Examiner, National Postgraduate Medical College, Nigeria (NPMCN)	2006 - date
ii.	Examiner, West African College of Physicians	2006 - date
iii.	Member, Court of examiner, NPMCN, Nigeria	2007-2010; 2018 -2019
iv.	External Examiner, Center for Child and Adolescent Mental Health, University of Ibadan	2014 - date
v.	External Examiner, Bowen University, Iwo, Nigeria	2018 - date
vi.	External Examiner, University of Witwatersrand, Johannesburg, South Africa.	2018
vii.	External Examiner, University of Namibia, Namibia	2019 - date
viii.	External Examiner, University of Fort Hare, South Africa	2022 - date
	<i>Advisor</i>	
i.	Advisor to National Malaria Elimination Programme (NMEP), Federal Ministry of Health, Nigeria	2011 - date
ii.	Advisor on malaria epidemiology and control training and research, Nigeria Field Epidemiology and Laboratory Training Programme (NFELTP), Abuja	2015 - 2020
iii.	Trainer, Modern Research Ethics Training for Health Research Ethics Committees	2008 – till date
	<i>Assessor for University promotions</i>	
i.	Assessor for Promotion Part II, Ambrose Alli University, Ekpoma, Edo State, Nigeria	(2019)
ii.	Assessor for Promotion Part II, Obafemi Awolowo University, Ile-Ife, Nigeria	2020
iii.	Assessor for Promotion Part II, Bowen University, Iwo, Nigeria	2022

10. Employment History:

10.1 Details of Employment

(i) Present employment (stating when started):

- Professor, Department of Epidemiology and Medical Statistics, Faculty of Public Health, College of Medicine, University of Ibadan (2013)
- Director, Institute of Advanced Medical Research and Training (IAMRAT), College of Medicine, University of Ibadan (2021)
- Faculty Member, Department of Bioethics and Humanities, University of Ibadan and West African Bioethics Program (2008)
- Faculty Member, Pan African University, Institute of Life and Earth Sciences (PAULESI) (2013)
- Consultant Family Physician, Department of Family Medicine, University College Hospital (UCH), Ibadan (April 2007)
- Coordinator of the Epidemiology and Biostatistics Research Unit (EBRU), Institute of Advanced Medical Research and Training (IAMRAT), College of Medicine, University of Ibadan (2010)

(ii) Previous places of Employment (with dates)

- Reader, Department of Epidemiology and Medical Statistics, Faculty of Public Health, College of Medicine, University of Ibadan (2010-2013)
- Senior Lecturer, Department of Epidemiology and Medical Statistics, Faculty of Public Health, College of Medicine, University of Ibadan (2007-2010)
- Senior Lecturer, Community Medicine Department, Olabisi Onabanjo University, Ago-iwoye, Ogun State (2006-2007)
- Chief Medical Officer, University College Hospital, Ibadan (2005-2006)
- Principal Medical Officer, University College Hospital, Ibadan (1996 -2005)
- Residency Training in Family Medicine (1987-1996)
- Medical Officer, Mak Clinic and Maternity Home, Total Garden, Ibadan (1985-1987)
- Medical Officer (NYSC), Adeoyo State Hospital, Yemetu, Ibadan (1984-1985)
- Housemanship, University College Hospital, Ibadan (1983-1984)

(iii). Consulting Experience

Country	Donor/Client	Description
Nigeria	North Western University, Chicago, USA/Bill and Melinda Gate	Field assessment of the burden and determinants of malaria transmission to inform tailoring of interventions (microstratification) in Ibadan and Kano metropolis (2022)
Nigeria	National Malaria Elimination Programme	Secondary Data Analysis of The Driving Forces that Influence the Change of Parasitaemia In 13 Global Fund Supported States (2021)
Geneva	Joint IAEA, TDR-mosquito WHO initiative	Ad-Hoc Working Group on Sterile Insect Technique for - borne diseases (2019)
Nigeria	Presidents Malaria	Development and implementation of Malaria Short Course for Disease control Programme officers in Nigeria (2018 to date)

	Initiative / Nigeria Field Epidemiology and	
	Laboratory Training Programme (PMI/NFELTP)	
*Nigeria	PMI/NFELTP	Support training for building capacity for malaria research and control (2015 -2020)
*Nigeria	Malaria Consortium	Data and Safety Monitoring Board Member for operational research on community case management of chest indrawing pneumonia with oral amoxicillin in children aged 2-59 months by Community Oriented Resource Persons (CORPs) in Niger State, Nigeria (2017)
*Nigeria	Malaria Consortium	Lead Technical Consultant: Rapid Access Expansion Programme For iCCM (Race) Operational Research: An Evaluation of Community Health Workers Supervision in Niger State (2016- 2018)
Nigeria	Society of Family Health (SFH)	Consultant to edit and format state reports for 2014 National Aids and Reproductive Health Survey (2014-2015)
Nigeria	SFH	Consultant to edit and format mapping and size estimation reports for 2013 National Aids and Reproductive Health Survey for ten (10) states (2013 -2014)
Nigeria	FMOH & SFH	Editing of 2012 National Aids and Reproductive Health Survey (NARHS +2) report (2013)
Nigeria	Centre for African Family Studies	Training on Monitoring and Evaluation Techniques and Strategies for Malaria Programme (2012)
*Nigeria	SuNMap	Co-Principal investigator on evaluation of the effect of the SuNMap capacity building programme on case management of malaria (2011)
*Nigeria	WHO/TDR	Feasibility of the CDI strategy in Improving Health Care Delivery in Urban Communities in Africa (TDR PROJECT NO. A90075) (2010)
*Nigeria	Yakubu Gowon Centre	Developed Baseline Survey Protocol for Operations Research on malaria In Bwari LGA, Abuja. (2010)
Nigeria	Yakubu Gowon Centre	Developed protocol to evaluate LLINs Retention and Utilization in Ekiti State. (2010)
Nigeria	NIBUCAA/ PIA PPP/GTZ	Planning and training of peer educators [lay company workers] who are currently active on HIV/AIDs education at work place to integrate malaria control activities. (2009/2010)
*Nigeria	WHO/TDR	Feasibility, acceptability and costs of a community-based diagnostic and treatment package for malaria of varying degrees of severity. (TDR PROJECT No. A80550) (2009/2015)

**		Providing technical support to the country's Polio Eradication initiative. Sensitization/training of health workers on acute flaccid paralysis (AFP). Provide supportive supervision of active surveillance/search. Evaluation of the national surveillance system. Contributed to the preparation of polio free certification documents and writing of the 2007 country's annual AFP surveillance report. (2007/2008)
Republic of Yemen	CDC/WHO	
Nigeria	University College Hospital, Ibadan	Conducting needs assessment on communication skill, plan and training on effective communication skills to health workers in the hospital. Supervising hospital survey on patient satisfaction. (2007)
*Nigeria	Fed. Min. of Health, Nigeria	Technical adviser on Home Management of Malaria. Providing advice on planning and implementation of HMM using ACT, Revision of training manual, Designing HMM baseline survey tools, translation of IEC materials to local language, Training of "role model mothers" for implementation of HMM (2006 to date)
*Nigeria	WHO/TDR	Operational research on Feasibility, acceptability and effectiveness of home management of malaria using ACT (TDR PROJECT A41054) (2005 to 2007)
**Nigeria	WHO/NPI, Nigeria	Micro-Planning for National Immunisation Days, Planning and implementation of advocacy and social mobilization activities, Training of field workers for National Immunisation programme, Monitoring and supervision of LG immunization officers and field workers. Acute flaccid paralysis (AFP) surveillance. Worked in Anambra and Bayelsa (fragile state) (2000 – 2004)
**Nigeria	UNICEF	Planning and supervising Immunisation Coverage Survey, reviewing zonal survey results, Report writing and production of a communiqué. (2003; 2004)
Ghana	Dreyfus Health Foundation, New York	Training of community volunteers on research methodology and supervision of proposal writing (2002)
Nigeria	USAID	Supervising Integrated NGO community-based Maternal and child health survey and Conducting CDC/Nigeria Community Resource Inventory of facilities in UNICEF assisted health facilities in Osun State (1995)

* : Consultancy services related to operational/implementation research

** : Experience working in the UN System or WHO.

10.2 Details of Teaching Experience at University Level

*Undergraduate Courses

Block Posting: Epidemiology of Non-communicable diseases		2003 to date
Core Lecture: Epidemiology of Communicable Diseases		2003 to date
Core lecture: Principles of Epidemiology		2003 to date
Core lecture: Man and his environment		2007 to 2018
Postgraduate courses in EMS Dept: M.Sc., MPH and MPhil/PhD students		
Principles of Epidemiology [EMS 722]		2003 to date
Epidemiology of Communicable Diseases [EMS 723]		2003 to date
Epidemiology of Non- Communicable Diseases (Cancers) [EMS 728]		2003 to date
Practical Epidemiology [EMS 711]		2003 to date
Health Management Information System [EMS 712]		2003 to date
Introduction to Public Health [EMS 701]		2007 to date
Social Epidemiology [EMS 718]		2007 to date
Statistical Methods in Epidemiology [EMS 708]		2007 to date
Research method [PSM 727]		2007 to date
Risk Factor Epidemiology [EMS 742]		2012 to date
Clinical Diagnosis and Preventive Epidemiology [EMS 741]		2012 to date
<i>Post graduate courses in other departments</i>		
Quantitative Research in Bioethics [BTH 707]	West African Bioethics Program	2015
Foundations and principles of Family and Public Health [MDP 708]	Master's In Development Practice (MDP) Programme, Centre for Sustainable Development	2011
Introduction to Public Health [PRH 701]	Master of Science in Reproductive Health, Pan African University	2015
*Note: All of these courses are taught together with other academic staff in the department		
<i>Residency Training</i>		
Training of residents at the Department of Family Medicine, (General Outpatients' Clinic) UCH, Ibadan		1996 to date
Supervision of residents' projects and writing of dissertations.		1996 to date

10.3 Postgraduate student supervision

- D.: Completed PhD project supervised: 7; Ongoing PhD: 5
- MPH: Completed MPH project supervised: 68; Ongoing MPH project: 8
- MSc: Completed MSc project Supervised: 80; Ongoing MSc Project: 10
- Fellowship: Completed Fellowship Dissertation/Case book supervised: 16; Ongoing Fellowship Dissertation: 1

10.4 Manuscript Reviewer

- BMC Journals

- PLOS ONE
- African Journal of Medicine and Medical Sciences
- Nigeria Postgraduate Medical journal
- Nigerian Journal of Family Practice

UI/UCH Ethics Review Committee, IMRAT, College of Medicine, UI [Proposals]
