

- v. Scholarship by DAAD/LMU to the 5th Academic Teachers Training Course, Munich, Germany, 28 October – 8 November 2015.
- vi. Scholarship by the United States National Institute of Health (NIH) grant “Developing Innovative Interdisciplinary Biomedical Engineering Programs in Africa” (1D43TW009374) for the Academic Exchange programme at the University of Cape town, South Africa. February 6 – March 17, 2017
- vii. Grant through the Harvard Medical School Centre for Global Health Delivery–Dubai to attend the Global Health Delivery Intensive (GHDI) program scheduled for July 6-24, 2020, at Harvard T.H. Chan School of Public Health.
- viii. CAFÉ Diversity Research and Teaching Fellowship 2021/2022, College of Agriculture, Food and Environment, University of Kentucky, United State of America

VII. HONOURS, DISTINCTIONS AND MEMBERSHIP OF LEARNED SOCIETIES

Membership of Learned/Professional Societies

- i. Member, International Union for Health Promotion and Education (IUHPE)
- ii. Member, Population Association of America (PAA)
- iii. Member, New-York Academy of Science (NYAS)
- iv. Member, Public Health Association of South Africa (PHASA)
- v. Member, Association of Schools of Public Health in Africa (ASPHA)
- vi. Member, World Federation of Public Health Associations (WFPHA)
- vii. Member, America Public Health Association (APHA)
- viii. Member, America Society for Nutrition (ASN)

VIII. DETAILS OF TEACHING/WORK EXPERIENCE

i. Undergraduate

- GES 301 – Co-ordination Supervision and Co-teaching of Entrepreneurial Skills General Studies Programme lectures to 300L regular and distance learning students; 2013/14 and 2015/16 sessions respectively to date

ii. Postgraduate

Teach the following course to Master of Public Health Students at Department of Health Promotion and Education

- HPE 702: Field Practice Seminar - Master of Public Health Programme 2013/2014 Academic
- HPE 706: Health Promoting School - Master of Public Health Programme 2012/2013 Academic session to date
- HPE 708: Cross Cultural Consultation – Master of Public Health Programme 2011/2012 Academic session to date
- HPE 713: Community Directed Interventions - Master of Public Health Programme 2012/2013 Academic session to date
- HPE 715: Health Promotion Foundation and Approaches - Master of Public Health Programme 2012/2013 Academic session to date

Community Services

1. Training of Long-Distance Drivers and their associates as interpersonal communicators on HIV and AIDS prevention at the Eleekara Park, Afijio LGA– 2015 – 2016 (part of the Oyo State Agency for the Control of AIDS project)
2. Organisation of Wellness programme for adult males and females at Eleekara Park, Afijio LGA Oyo state – January to February 2016
3. Training of Out of School Youths as peer educators on HIV and AIDS prevention in Ibadan NorthEast, Ibadan North and Saki West LGAs– 2015 – 2016 (part of Oyo State Agency for the Control of AIDS project)
4. Community mobilisation for HIV counselling and testing at Afijio, Saki West, Ibadan north and Northeast Local Government Areas (part of Oyo State Agency for the Control of AIDS project)
5. Community rally and campaign for HIV and AIDS prevention at Saki West, Ibadan North East and Ibadan North LGAs (part of Oyo State Agency for the Control of AIDS project)
6. Delivery of Lecture on Nutrition in Pregnancy and Adulthood at Rhema Chapel, Bodija – UI, behind mechanic village Bodija Ibadan – November 2016
7. Delivery of Lecture on Gender in development; to construction workers in Ibadan – April and May - 2019

Administrative Responsibilities

1. Departmental MPH students’ admission coordinator; 2012/2013 session to 2020
2. Member of the following Committees:
 - a. Faculty of Public Health Postgraduate sub – committee; 2012/2013 session to 2020
 - b. Faculty of Public Health Research and Innovations committee; 2014/2015 session to 2020
 - c. College Research and Innovation Management – sponsorship and exhibition sub – committee; 2015/2016 session to date
 - d. Department of Health Promotion and Education Welfare/Social committee; 2012/2013 Session to date

IX. RESEARCH

a. Completed

- i. 2001 to 2003 - Factors Influencing the Adoption of Vasectomy as a Family Planning Method among Married Men in Ibadan South East Local Government Area. Department of Health Promotion and Education, College of Medicine, University of Ibadan, Ibadan, Nigeria

Role: Principal Investigator

- ii. 2006 to 2009 - Reproductive health intervention to prevent sexually transmitted infections among street youths in Ibadan, Oyo State. Funded by Centre for Population and reproductive Health, University of Ibadan, Ibadan. Oyo State

Role: Research Coordinator/Administrator and Supervisor

- iii. 2008 to 2009 - Evaluation of the Ibadan maternal mortality and morbidity reduction project – carried out using a community participatory approach in Ibadan North and Oluyole Local Government Areas of Oyo State, funded by Physicians for Social Responsibility (PSR-Finland)

Role: Research Coordinator

- iv. 2008 to 2009 - Multi Country Study on Non-Standard Motorcycle Helmet Use. Funded by the Road Traffic Injuries Research Network with support from World Bank Global Road Safety Facility

Role: Research Coordinator

- v. 2005 to 2011 - University of Ibadan HIV/AIDS Policy Development Project, Funded by the MacArthur Foundation, Department of Community Medicine, University of Ibadan Role: Project Officer

- vi. 2014 to 2016 - Strengthening HIV and AIDS Prevention Programme among Out-of-School Youth and Long-Distance Drivers in Oyo State. Funded by the World Bank (WB) and National Agency for Control of AIDS (NACA) to Africa Regional Health Education Centre (ARHEC), Department of Health Promotion and Education, University of Ibadan

Role: Research Coordinator

- vii. 2015 to 2019 – Health Promotion Intervention on Self-efficacy for Fruits and Vegetable Consumption among Adolescents with Hearing Impairment in selected Schools in southwestern, Nigeria (Self-sponsored doctoral research)

This research is an investigative and interventional research designed to explore the suitability of facilitator-led training and use of targeted IEC materials as strategy to increase self – efficacy for fruits and vegetables consumption as a positive dietary behaviour among adolescents with hearing impairment.

Role: Principal Investigator

- viii. 2019 - Mainstreaming Gender Issues into Academic Activities at the Faculty of Public Health, College of Medicine, University of Ibadan, Nigeria; ACU gender Grant

Role: Co-Investigator

b. In progress

c. Project, Dissertation and Thesis

- i. **Olabisi, A. T. (1998)** Complementary Feeding Practices and Nutritional Status of Infants in Ibadan. Department of Human Nutrition, College of Medicine, University of Ibadan, Nigeria. (B.Sc., Human Nutrition Project)
- ii. **Olabisi, A. T. (2004)** Factors Influencing the Adoption of Vasectomy as a Family Planning Method among Married Men in Ibadan South East Local Government Area. Department of Health Promotion and Education, College of Medicine, University of Ibadan, Ibadan, Nigeria (M. P. H., Health Promotion and Education Dissertation)

- iii. **Desmennu, A. T. (2019)** Health Promotion Intervention on Self-efficacy for Fruits and Vegetable Consumption among Adolescents with Hearing Impairment in selected Schools in southwestern, Nigeria
