29. 1998. Perceived Stress Factors, Coping Mechanisms and Prevalence of High Blood Pressure Among Staff of the University of Ibadan. Funded by Senate Research Grant, University of Ibadan. (Principal Investigator)
30. 1997-1998 An Exploratory Study on Recording and Reporting Systems at the Community Level. Funded by UNDP/World Bank/WHO Special Programme for Research and Training in Tropical Diseases, Geneva. (Principal Investigator)
31. 1996-1997 A Training Approach to Improving HIV/AIDS Knowledge of Health Workers in Oyo State, Nigeria. WAF 121(96-027). Funded by World AIDS Foundation Institut Pasteur, Paris, France. (Principal Investigator)
32. 1996-1998. Evaluation of a school-based youth to youth Male Adolescent Reproductive and Counselling program. Funded by John D and Catherine T. MacArthur Foundation Chicago USA.GA/95- 34739A-POP (Principal Investigator)
33. 1995: Developing of a Reporting Form for Illiterate Communities Related to Community Self-Treatment with Ivermectin. Funded by World Health Organization ID No. 95/GL/RES/TDR/311/FA/942, (Principal Investigator)
34. 1995-1996: The Economic Impact of Onchocerciasis in the Ibadan-Ibarapa Health Zone Oyo State, Nigeria, Part of a Multicountry Study of the Economic Impact of Onchocercal Skin Disease. Funded by UNDP/World Bank/WHO Special Programme on Research and Training in Tropical Diseases TDR, Geneva. (Principal Investigator)
35. 1995-1996: Validation of the Pictorial Community Self- Treatment Reporting Form. Funded by UNDP/World Bank/WHO Special Programme on Research and Training in Tropical Diseases Geneva. (Principal Investigator)
36. 1993-1994: Evaluation of an Oral Rehydration Therapy (ORT) Educational Intervention in a Rural Nigerian Community. Funded by Applied Diarrheal Disease Research Project (ADDR)/USAID, Grant No. 135, (Principal Investigator)
37. 1994: Enhancing Local Government Capacity on Implementing Diarrhoeal Disease Programmes. Funded by Applied Diarrhoea Disease Research Project (ADDR), Harvard Institute of International Development. USAID/UNICEF. Grant No. 135b (Principal Investigator)
38. 1992: Needs assessment on educational information and communication component of the Essential Drugs Programme. Funded by the Federal ministry of Health, Nigeria. (Co-Principal Investigator)

39. 1991-1992: A comparative study of perceived behavioural indicators of Child Abuse and Neglect among parents in Niger and Oyo States of Nigeria. Funded by Inter-Africa Committee, Nigeria. (Principal Investigator)
40. 1991-1993: Testing the Effectiveness of Health Education and Communication Strategies to Encourage Patients' Compliance with Treatment Recommendations for Mectizan. Funded by the Federal Ministry of Health (FMOH)/Onchocerciasis Research Committee and Tropical Diseases Research/WHO, Geneva. M.H.2846/5.6/128 FMOH/OORC/TDR (Principal Investigator).
41. 1990-1991: Audience Research on Family Planning, Beliefs Knowledge Attitudes and Practices ID-AF-NGA-38. Funded by Family Health Services, (Co-Principal Investigator)
42. 1989-1990: Review of the state of art and practice of Health Education in West Africa. Funded by the International Development Research Centre, Regional Office for West and Centre Africa, Dakar, Senegal. ID 34-88A723. (Co-Principal Investigator)
43. 1989-1990: PHC Mobilization and Intervention in Suleja and Rafi Local Government areas of Niger State Nigeria. Funded by USAID. (Co-Principal Investigator)
44. 1988-1989: Risk factors associated with diarrhoea diseases in rural Nigeria community. World Health Organisation, Geneva. ID C6/1181/1 MIE (Co-Principal investigator)
45. 1984-1986: The role of patient education in the treatment of Onchocerciasis in a rural Nigeria community. Funded by UNDP/World Bank/WHO Special Programme for Research and Training in Tropical Diseases (TDR), Geneva. ID 830566 (Principal Investigator)
46. 1981-1984: Social and Behavioural Aspects of Tropical Diseases in the context of a Primary Health Care Approach ID 800432. Funded by UNDP/World Bank/WHO Special Programme for Research and Training in Tropical Diseases (TDR), Geneva. Switzerland, (Co-Investigator)

c. On-going Funded Research-Global

47. *Collaborative partnership research between Delft University of Technology (Industrial Design Engineering), Netherlands) and the University of Ibadan)*
 - a. 2018- 2020 :Schistoscope Automated Diagnostic Project. Smartphone application for the detection of Schistosoma haematobium using cell phone microscope, low-cost filter and Discreet Wavelet Transform (Co-Investigator)
 - b. 2019-2023:INSPiRED – INclusive diagnoStics for Poverty RElated parasitic Diseases in Nigeria and Gabon. INSPiRED aims to improve the diagnosis of three major poverty-related diseases (malaria, schistosomiasis and hookworm infection) and reduce their grave impact in endemic countries. The focus is to develop easy-to-operate smart optical diagnostics devices for parasitic diseases which are integrated, inclusive (co-creation with stakeholders), and thoroughly tested in laboratory and field settings. Funded by WOTRO *_Award Number: W O7.30318.OO9 .*
